REQUEST FOR PROPOSAL "RFP" No. PS20181622
CONSULTING SERVICE FOR RILEY PARK PAVILION AND OPPENHEIMER PARK STORAGE BUILDING

QUESTIONS AND ANSWERS NO. 1

ISSUED ON NOVEMBER 21, 2018

Q1.1	Although we can understand the City's aspirations for social diversity, we might suggest some more thinking about some of these questions. Some of these questions I am not allowed to ask of my staff and I will not poll the office looking for LGBTQ+ or People with Disabilities - in fact - asking for this information is in conflict with modern attitudes towards inclusion and avoiding forced self-identification.
A1.1	**For more information on Social Value Procurement, please click the link below:** **https://vancouver.ca/doing-business/social-procurement-framework.aspx** **This schedule is optional and will not impact your scores.**
Q1.2	Are fees to be presented combined or would you like this broken out per project?
A1.2	**Fees are to be broken out per project. Please see AMD 1 for a revised pricing schedule that includes 2 identical pricing tables; one for each project.**
Q1.3	Is the Declaration of Supplier Code of Conduct to be completed by the prime consultant only? Or all consultants?
A1.3	**Prime Consultant only**
Q1.4	Is the living wage confirmation to be completed by the prime consultant only? Or all consultants?
A1.4	**Prime Consultant only**
Q1.5	Will the two projects be tendered as one contract?
A1.5	**For now, the assumption is for single tender.**
Q1.6	Can you please confirm which consultants listed in Appendix 3 (Schedule B – Fees for Basic and Additional Services) are expected to be required for each project.
A1.6	**All consultants will be required for each project.**
