SECTION 1 GENERAL INFORMATION

1.1 Introduction

The City of Vancouver (the "City") is seeking expressions of interest ("Expressions of Interest") from vendors with expertise in Leak Detection Equipment.

1.2 Background

The City of Vancouver Water Utility is classified as a level III system servicing a population of 603,502 residing in an area of 115 km². The Water Distribution System is comprised of 1,400 km's of mainline and 100,403 service lines. The average age of the piping network is 45 years with mains ranging from 100mm (4 in) to 950mm (36 in) in diameter. The distribution system represents an estimated worth of 1.5 Billion to the City of Vancouver Taxpayers. On an average day, the Vancouver water system delivers 307 million litres of high quality water to its customers.

The City of Vancouver is continuously evaluating all its resources, as water utility owners; we recognize the need to manage leaks and system integrity. One of our key initiatives for the past several years has been the Pro-Active Leak Detection program which has evolved from surveying 33% of the distribution system annually to a survey of the entire system on an annual basis. The main drivers for the program are the management of a sustainable resource through the City's Greenest Action Plan, Corporate Strategic Business Plan and Engineering Services Departmental Action Plan.

1.3 Scope of Work

The City of Vancouver Waterworks Operations is requesting to explore vendors that are able to supply Programmable Acoustic Leak Detection Equipment.

- Functional Specifications on all Equipment
- Performance Specifications on Equipment
- Hardware Requirements
- Software Requirements

1.4 Sustainability

- 1.4.1 The City's Procurement Policy, Ethical Purchasing Policy and related Supplier Code of Conduct found at <http://vancouver.ca/doing-business/selling-to-and-buying-from-the-city.aspx> align the City's approach to procurement with its corporate social, environmental and economic sustainability values and goals. They evidence the City's commitment to maximize benefits to the environment through product and service selection, and to ensure safe and healthy workplaces, where human and civil rights are respected. Each City vendor is expected to adhere to the supplier performance standards set forth in the Supplier Code of Conduct. The Ethical Purchasing Policy shall be referred to in the evaluation of Expressions of Interest, to the extent applicable.
- 1.4.2 Vendors are to provide environmentally sensitive products or services wherever possible. Where there is a requirement that a vendor supply materials, and where such materials may cause adverse environmental effects, the vendor should indicate the nature of the hazard(s) in its Expression of Interest. Furthermore, each vendor is asked to advise the City of any known alternatives or substitutes for such materials that would mitigate such adverse effects.

1.5 RFEOI Process

- 1.5.1 Interested parties ("**Respondents**") are required to respond to this RFEOI in accordance with the instructions set forth in this RFEOI.
- 1.5.2 Expressions of Interest are being requested in order to afford the City of Vancouver the opportunity to gauge such responses and evaluate Respondents' expertise, so that the City may then conduct a more formal procurement process, tailored (as determined in the City's discretion) to the responses received and limited, should the City so determine, to all or some of the RFEOI Respondents. The City currently anticipates that it will carry out a request for quote and that the same will be released to multiple qualified Respondents during the period stated in Schedule 1 – Description of Requirements.
- 1.5.3 Notwithstanding the foregoing, the City may, as a result of the RFEOI, decide to proceed directly to negotiate a contract with an outstanding Respondent (or the sole qualified Respondent, if there is only one).
- 1.5.4 The RFEOI process is aimed at encouraging businesses with the required level of expertise to participate. Respondents should ensure that their Expressions of Interest demonstrate expertise in Leak Detection Equipment, as above.
- 1.5.5 Any potential Respondent is requested to refrain from submitting an Expressions of Interest if it is not willing to submit bona fide proposal or tender in relation to the subject matter of the RFEOI if the City invites the Respondent to participate in a request for proposals or invitation to tender.
- 1.5.6 If a potential Respondent believes that the City may be unable to select it due to a conflict of interest, but is uncertain about this, the potential Respondent is urged to contact the individual named on the cover page above as soon as possible with the relevant information so that the City may advise the vendor regarding the matter.

1.6 RFEOI Documents

1.6.1 This RFEOI consists of:

- (a) the cover page hereof and sections 1 through 6 hereof; and
- (b) schedules as follows:
 - (i) Schedule 1 – Description of Requirements;

It is the sole responsibility of all Proponents to check the City’s website at: <http://www.vancouver.ca/fs/bid/bidopp/openbid.htm> regularly for amendments or addenda to the RFEOI Documents, including questions and answers posted by the City in relation to this RFEOI.

SECTION 2 QUALIFICATION CRITERIA

2.1 General

The City currently expects to base its decision with respect to each Respondent’s qualification (or not) to participate in a request for quote on (i) whether the statement of qualifications submitted by the Respondent as part of its Expression of Interest (its “**Statement of Qualifications**”) has met, and whether such Statement of Qualifications shows that the Respondent has met, the requirements set out in the RFEOI Documents and (ii) the evaluation criteria set out in Schedule 1 – Description of Requirements.

2.2 Key Personnel and Subcontractors

2.2.1 As part of its Statement of Qualifications, a Respondent should submit the names of proposed key personnel and subcontractors.

2.2.2 Qualification to participate in a request for quote may be conditioned on the use of the key personnel and subcontractors specified in a Statement of Qualifications, or other personnel or subcontractors approved in advance by the City.

2.2.3 A Respondent should therefore not change its key personnel or subcontractors without discussing the same with the City.

2.2.4 Notwithstanding the following, by submitting an Expression of Interest, each Respondent acknowledges that if selected to participate in a request for quote, the Respondent may be required to include subcontractors selected by the City.

SECTION 3 COMMUNICATIONS

Respondents may not communicate with the City about the RFEOI except in writing by fax or email to the contact person listed on the cover page of this RFEOI.

SECTION 4 SUBMISSION OF EXPRESSIONS OF INTEREST

4.1 Delivery

Each Respondent should submit an original of its Expression of Interest and the number of copies of its Expression of Interest specified in Schedule 1 – Description of Requirements, in a sealed envelope, delivered physically as stated on the cover page of the RFEOI. It is each Respondent's sole responsibility to ensure delivery of its Expression of Interest by the Closing Time. All submissions should be made at the Respondent's sole cost and expense.

4.2 Late Expressions of Interest

The City of Vancouver may, in its discretion, accept, or reject and return, any Expression of Interest received after the Closing Time.

4.3 Form of Expression of Interest

Each Expression of Interest must consist of a letter in the form set forth in Schedule 2 together with a Statement of Qualifications in the format set forth in Schedule 3, an insurance certificate in the form set forth as Schedule 4 and declaration of Supplier Code of Conduct compliance in the form of Schedule 5.

4.4 Lack of Information

Following receipt of an Expression of Interest, the City of Vancouver may, in its sole discretion and without having any duty or obligation to do so, request that the Respondent provide the City of Vancouver with additional information to clarify or substantiate the information provided by the Respondent. If a Respondent fails to provide information required for the City's evaluation of the Respondent's qualifications, or fails to provide timely clarification or substantiation of the information supplied, that failure may result in no further consideration being given to the Expression of Interest.

4.5 Material Changes

Respondents should inform the City of Vancouver of any material change in information that might affect their qualification status at any time during the RFEOI process. Participants in a request for quote will be required to update key qualification information at the time of proposal submission. Prior to the entry into any agreement for goods or services, a successful vendor will be required to confirm its continued status.

SECTION 5 REVIEW OF EXPRESSIONS OF INTEREST

5.1 Evaluation by the City of Vancouver

The City will review the Expressions of Interest submitted to determine whether, in the City's opinion, each Respondent has demonstrated that it has the required experience and qualifications in order for it to advance in the City's procurement process. In doing so, the City currently expects to base its decision with respect to each Respondent on (i) whether the Statement of qualifications submitted by the Respondent has met, and whether such Statement of Qualifications shows that the Respondent has met, the requirements set out in the RFEOI

QUALIFICATIONS FOR SUPPLY AND MAINTENANCE OF LEAK DETECTION EQUIPMENT

Documents and (ii) the evaluation criteria set out in Schedule 1 – Description of Requirements. The City currently expects to select a number of Respondents (“Pre-Qualified Respondents”); provided that:

- 5.1.1 the determination of which Respondents are designated as Pre-Qualified Respondents will be at the sole discretion of the City; and
- 5.1.2 the City reserves the right to limit the number of Respondents designated as Pre-Qualified Respondents.

5.2 Inquiries

The City, in its sole discretion and without having any duty or obligation to do so, may conduct any inquiries or investigations, including but not limited to contacting references, to verify the statements, documents, and information submitted in connection with an Expression of Interest and may seek clarification from a Respondent’s bankers and clients regarding any financial and experience issues.

5.3 Non-Conforming Expressions of Interest

Expressions of Interest which fail to conform to the format requirements set forth in Schedule 3 hereto or which fail to conform to any other requirement of these RFEOI Documents may be rejected by the City of Vancouver, in its discretion. Notwithstanding the foregoing or any other provision of these RFEOI Documents, the City may at its sole discretion elect to retain for consideration Expressions of Interest which deviate either materially or non-materially from the format requirements set out in Schedule 3 hereto or which otherwise fail to conform to any other requirement of these RFEOI Documents.

SECTION 6 NOTIFICATION AND RFP PROCESS**6.1 Notification of Prequalification**

Following the Closing Time, the City of Vancouver will only notify those Respondents which are selected as Pre-Qualified Respondents (or with which the City proposes to proceed to negotiate an agreement). The City of Vancouver thanks all other Respondents for their interest.

6.2 Changes after Pre-Qualification

Any change in the structure or formation of a Pre-Qualified Respondent will be subject to prior written approval of the City prior to the deadline for submission of proposals or tenders. The City may deny that approval if the change in the structure or formation of the Pre-Qualified Respondent, from that presented in the Expression of Interest, would have affected whether or not the Respondent would have been short-listed in the first instance.

6.3 The City of Vancouver Rights

6.3.1 The City may, without liability to any Respondent or Pre-Qualified Respondent, may:

- (a) amend the scope and description of the goods and services to be procured under the RFEOI or any subsequent request for quote process, varying them from those described herein, or amend the qualifications that may be required to meet those requirements;

- (f) terminate the RFEOI process and enter into direct negotiations with any party whether or not a Respondent .

6.3.2 By submitting an Expression of Interest, a Respondent acknowledges and agrees that these RFEOI Documents are, in no way whatsoever, an offer to enter into an agreement (except on the limited terms and conditions expressly stated in Schedule 2), and that submission of an Expression of Interest by a Respondent does not in any way whatsoever create any obligation on the part of the City to treat the Respondent's or any other Respondent's Expression of Interest in any particular manner or undertake the City's RFEOI process in any particular manner (except as expressly stated in Schedule 2 with respect to confidentiality).

6.3.3 The form of letter set forth in Schedule 2 also contains a release of the City's liability and other important terms and conditions that should be reviewed carefully by each Respondent, and each Respondent should obtain the advice of independent legal counsel in connection therewith.

To give effect to these requirements, an authorized signatory of each proposed vendor must complete the following declaration and include this declaration with its submission:
