NOTICE OF INTENT TO CONTRACT ("NOITC")

PS20181460

Issue Date: September 11, 2018

Closing Date: September 25, 2018

Re: - Consulting Services - Market Analysis Update for PNE Amphitheatre Renewal.

Notice is hereby given by the City of Vancouver ("City") of its intent to contract with John Donnelly & Associates for the provision of consulting services related to an update of a preliminary market research and demand analysis study prepared by it previously. An update to the demand analysis study and further analysis is required to inform a planned feasibility study for the Heart of the Park.

The work will focus on updating the market analysis for event spaces, identifying venue and event space requirements (including utility infrastructure) for several venue/event space redevelopment scenarios, developing preliminary cost estimates for these scenarios, and completing a business case report that includes an options analysis and redevelopment recommendation to the project steering committee.

John Donnelly & Associates has prepared the preliminary analysis and has an understanding of the industry and the specific project and would be able to continue to add to its previous research and analysis without the necessity of restarting the analysis from the beginning.

It is anticipated that the work scope will be completed over a three month period.

The contract would be valued at approximately $85,000.00.

Anyone wishing to request more information and/or having any questions with regard to this NOITC may contact Eamonn Savage at 604-871-6035 or by email to eamonn.savage@vancouver.ca prior to the closing date and time listed below.

Closing date and time: **3:00 pm Tuesday,** September 25, 2018.
