RECONFIGURATION - CONTRACTOR PREQUALIFICATION

## SECTION 1 GENERAL INFORMATION

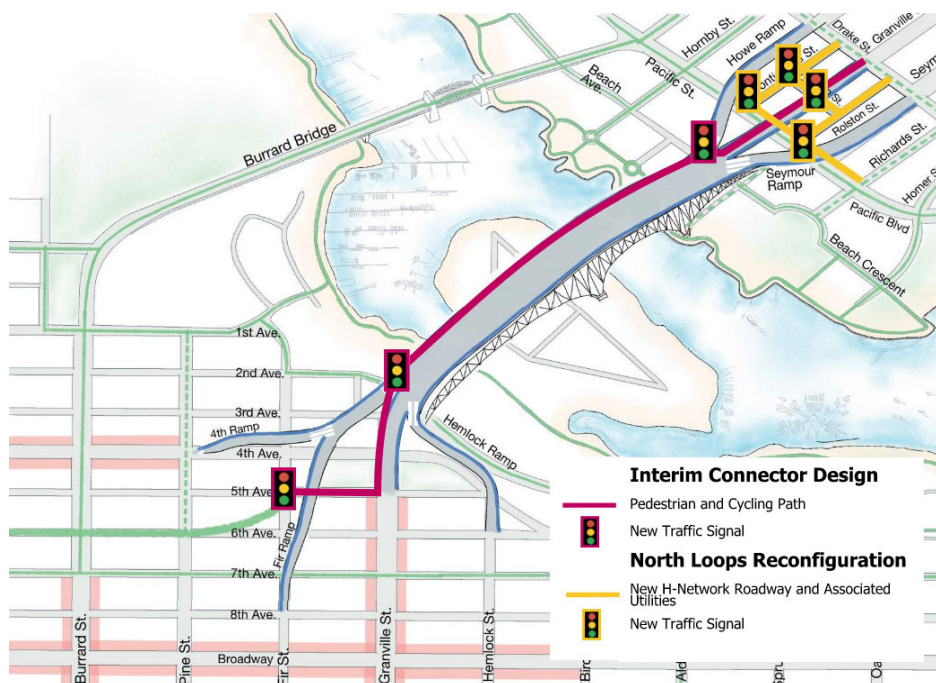

### 1.1 Introduction

The City intends to prequalify a pool of companies or consortiums with expertise in all aspects of bridge demolition and construction, as well as new roadway and utility installation. The successful Respondents will then be invited to bid on the work through a tender process. The successful tenderer will be responsible for developing and implementing its own project management, quality control and assurance, health and safety management, traffic management and environmental management systems to ensure that the successful tenderer complies with all Project requirements for the Granville Bridge Interim Connector and North Loops Reconfiguration project (ICNLR).

### 1.2 Background

The Granville Street Bridge (the “Bridge”) was built in 1954 and is an eight-lane bridge that spans over False Creek in the middle, Granville Island at the south end, and portions of the Granville slopes at the north end. The north end of the Bridge consists of three approach ramps; the main north approach, the Howe Street ramp for southbound traffic, and the Seymour Street ramp for northbound traffic, as well as the “Loops” to and from Pacific Ave. The south end of the Bridge has four approach ramps; the main south approach, the Fir Street ramp for southbound traffic, the 4th Avenue ramp for westbound traffic, and the Hemlock Street ramp for northbound traffic. The main span, which roughly spans from Granville Island to south of Beach Ave, is a steel truss structure and concrete deck on steel girders.

The City is undertaking the ICNLR project to reallocate vehicle deck space to pedestrians and cyclists, as well as improve the public realm and transportation connections on the north end of the Bridge. An overview of the extent of work involved is illustrated in Schedule 7 - Additional Work Site Information and below in Figure 1:

**1.3 Project Schedule**

A high-level schedule of the project is shown below and may be subject to change.

Milestone	Estimated Start Date	Estimated Completion Date
Detailed Design	Jul 2021	Feb 2022
Invitation to Tender Period	Apr 2022	May 2022
Construction	Sept 2022	Jul 2024

**1.4 Scope of Work**

This RFEOI is being issued to prequalify Contractors for the work contemplated by the invitation to tender, anticipated to include:

**a. Provision of submittals in response to a Notice of Award including:**

- i. A site specific health and safety plan under the supervision of and signed by a Certified Registered Safety Professional (CRSP) or Certified Health and Safety Consultant (CHSP) addressing, as a high-level overview, health and safety issues including hazards, mitigation measures, onboarding, site orientations, safety meetings, first aid attendant requirements, training requirements, and record keeping;
- ii. A quality management plan;
- iii. A Category 3 traffic management plan including all relevant sub-plans signed and sealed by a professional engineer, developed in alignment with Manual for Work on Roadways (2020 edition) and City of Vancouver traffic management policies, practices, and expectations;
- iv. A detailed construction schedule consistent with any preliminary construction milestones included with the invitation to tender, which indicates the timing of the major activities of the work and provides sufficient detail of the critical events and their interrelationship to demonstrate such work will be performed in accordance with the completion dates stated in the invitation to tender's and coordinated as required with City consultants and staff;
- v. A performance bond and a labour and material payment bond, each in the amount of fifty percent (50%) of the Tender Price, issued by a surety licensed to carry on the business of suretyship in the province of British Columbia, and in a form acceptable to the City; and
- vi. Proof of a commercial general liability insurance policy, project specific wrap up liability insurance policy, and course of construction insurance.

**b. Pre Construction services including:**

- i. Submittals as required by the tender packages; and

- ii. A kickoff meeting.

**c. Construction services including:**

- i. Being and acting as Prime Contractor within a defined work area (multi-employer work site), respecting other contractor areas, and adhering to contract requirements and the City's expectations for Prime Contractors;
- ii. Demolition of the Granville Bridge superstructure (deck and girders) from Pacific Street to Neon Street, partial demolition of piers, demolition of east and west North Granville loops (deck, walls, and foundation), and demolition of vacant taxi building (structure and foundation) in west loop, including implementation of demolition procedures that aim to reduce noise, dust, and vibration disturbances to the public as well as displacement monitoring by survey and vibration monitoring;
- iii. Structural modifications to existing pier north of Pacific Street, including concrete repairs and modifications, retaining (MSE) wall construction, dowelling, post-tensioned threadbar installation; and installation of anchors;
- iv. Mass traditional backfill placement under existing bridge superstructure between Pacific Street and Neon Street, prior to structure demolition, to facilitate shorter bridge closure duration, embankment construction, and general site grading;
- v. Installation of cellular concrete in combination with traditional backfill in close-proximity to existing residential buildings along Neon Street;
- vi. Localized bridge deck demolition and remediation to remove anchored median barriers;
- vii. Localized bridge deck demolition and remediation to allow for relocation of existing catch basins and drainage system adjustments;
- viii. Localized bridge deck demolition and construction of concrete islands and supports for poles and miscellaneous electrical equipment;
- ix. Asbestos and lead abatement procedures related to structure demolition and asphalt removal;
- x. Supply and installation of concrete traffic barriers, both standard and custom, with custom fabricated steel segments to allow for expansion/contraction across main span expansion joints;
- xi. Protection and working in close proximity to Coast Mountain Bus Company high voltage trolley wires, including coordination with an approved Safety Watch;
- xii. Supply and installation of new traffic signals on and off the bridge, with associated structural steel anchorage details for new signals on the bridge;
- xiii. Supply and installation of RRFBs (Rectangular Rapid Flashing Beacons) on the bridge with associated structural steel anchorage details on the bridge;

- xiv. Supply and installation of roadway lighting on the bridge in conjunction with traffic signal and RRFB installations;
- xv. Supply and installation of roadway lighting;
- xvi. Supply and installation of communication ducting and fibre optic cable;
- xvii. New storm sewer system installation. Storm sewer system inclusive of catch basins, catch basin leads, storm sewer, maintenance holes, reconnection of existing services and tie-ins with existing storm sewers. Includes deep utility construction at depths greater than 6m within a confined easement, requiring temporary works to protect existing utilities during construction;
- xxiii. New sanitary sewer system installation. Sanitary sewer system includes sanitary sewers, maintenance holes, reconnection of existing services and tie-ins with existing sanitary sewers. Includes deep utility construction at depths greater than 6 m within a confined easement, requiring temporary works to protect existing utilities during construction;
- xix. New watermain installation, inclusive of all fixtures, reconnection of existing services and tie-ins with existing watermain;
- xx. Removal or abandonment of existing storm, sanitary and watermain systems;
- xxi. Coordination with third-party utility owners for existing utility relocations;
- xxii. New roadway, sidewalk, curb and gutter construction, catch basins, and existing roadway modification, including roadway lane marking eradication and new markings;
- xxiii. Traffic control for all construction activities;
- xxiv. Third Party coordination;
- xxv. Survey and QA/QC documentation which meet the City's survey guidelines;
- xxvi. Environmental monitoring, contaminated soils management, and surface water runoff management;
- xxvii. On-site quality control for all completed construction services including documentation, available to City and Contract Administrator upon request;
- xxviii. Project Management tasks, including but not limited to:
  - 1. Monthly cash flow forecast;
  - 2. Monthly construction schedule updates;
  - 3. Monthly progress reports;
  - 4. Regular coordination meetings with City staff, consultants, and other contractors and distributing meeting minutes;

5. Maintain logs and documentation for RFIs NCRs, extra work/changes, communications/decisions with Third Parties, etc. and share with the City and Contract Administrator upon request;
6. Communication plan, including incident reporting, and
7. Traffic management during the work that accounts for traffic as well as residential and business impacts, and any special events taking place.

**d. Post Construction services including:**

- i. Contract close out reports, including vendor information, warranties, operations and maintenance manuals;
- ii. Submission of as built drawings which meet the City's drawing standards;
- iii. Demobilization from site;
- iv. Submission of final QC report; and
- v. Participate in lessons learned workshop and submit contract close out report.

**e. Form of Agreement and Construction Specifications**

- i. A sample Form of Agreement similar to what will be contained in the ITT and the City's standard construction specifications and drawings can be found at the following:

<https://vancouver.ca/streets-transportation/street-design-construction-resources.aspx>

**1.5 Sustainability**

- 1.5.1 The City's Procurement Policy, Ethical Purchasing Policy and related Supplier Code of Conduct found at <http://vancouver.ca/doing-business/selling-to-and-buying-from-the-city.aspx> align the City's approach to procurement with its corporate social, environmental and economic sustainability values and goals. They evidence the City's commitment to maximize benefits to the environment through product and service selection, and to ensure safe and healthy workplaces, where human and civil rights are respected. Each City vendor is expected to adhere to the supplier performance standards set forth in the Supplier Code of Conduct. The Ethical Purchasing Policy shall be referred to in the evaluation of Expressions of Interest, to the extent applicable.
- 1.5.2 Vendors are to provide environmentally sensitive products or services wherever possible. Where there is a requirement that a vendor supply materials, and where such materials may cause adverse environmental effects, the vendor should indicate the nature of the hazard(s) in its Expression of Interest. Furthermore, each vendor is asked to advise the City of any known alternatives or substitutes for such materials that would mitigate such adverse effects.

**1.6 RFEOI Process**

- 1.6.1 Interested parties ("Respondents") are required to respond to this RFEOI in accordance with the instructions set forth in this RFEOI.

**RFEOI No. PS20220192**  
**CONSTRUCTION SERVICES FOR GRANVILLE BRIDGE CONNECTOR AND NORTH LOOPS**  
**RECONFIGURATION - CONTRACTOR PREQUALIFICATION**

---

- 1.6.2 Expressions of Interest are being requested in order to afford the City of Vancouver the opportunity to gauge such responses and evaluate Respondents' expertise, so that the City may then conduct a more formal procurement process, tailored (as determined in the City's discretion) to the responses received and limited, should the City so determine, to all or some of the RFEOI Respondents. The City currently anticipates that it will carry out invitation to tender's and that the same will be released to multiple qualified Respondents during the period stated in Schedule 1 – Description of Requirements.
- 1.6.3 Notwithstanding the foregoing, the City may, as a result of the RFEOI, decide to proceed directly to negotiate a contract with an outstanding Respondent (or the sole qualified Respondent, if there is only one).
- 1.6.4 The RFEOI process is aimed at encouraging businesses with the required level of expertise to participate. Respondents should ensure that their Expressions of Interest demonstrate expertise in bridge construction, demolition in urban environments, efficient traffic management, complex underground utilities work, subcontractor management, being and acting as the prime contractor, and demonstrates an established culture of health and safety.
- 1.6.5 Any potential Respondent is requested to refrain from submitting an Expressions of Interest if it is not willing to submit bona fide proposal or tender in relation to the subject matter of the RFEOI if the City invites the Respondent to participate in a request for proposals or invitation to tender.
- 1.6.6 If a potential Respondent believes that the City may be unable to select it due to a conflict of interest, but is uncertain about this, the potential Respondent is urged to contact the individual named on the cover page above as soon as possible with the relevant information so that the City may advise the vendor regarding the matter.

**1.7 RFEOI Documents**

- 1.7.1 This RFEOI consists of:
    - (a) the cover page hereof and sections 1 through 6 hereof; and
    - (b) schedules as follows:
      - (i) Schedule 1 – Description of Requirements;
      - (ii) Schedule 2 – Letter of Expression of Interest;
      - (iii) Schedule 3 – Format for Expressions of Interest;
      - (iv) Schedule 4 – Certificate of Existing Insurance;
      - (v) Schedule 5 – Declaration of Supplier Code of Conduct Compliance;
      - (vi) Schedule 6 – Information Meeting Attendance Form; and
      - (vii) Schedule 7 – Additional Work Site Information.
- (collectively, the “RFEOI Documents”)

- 1.7.2 If the City of Vancouver issues any amendments or addenda to the RFEI Documents, such amendments or addenda will form part of the RFEI Documents. It is the sole responsibility of all Respondents to check the City's website at: <http://www.vancouver.ca/fs/bid/bidopp/openbid.htm> regularly for amendments or addenda to the RFEI Documents, including questions and answers posted by the City in relation to this RFEI.

**1.8 Information Meeting**

- 1.8.1 Respondents are invited to attend an information meeting to be held online by Webex at 10:00 am on Tuesday, March 8, 2022 (the "Information Meeting")
- 1.8.2 Respondents are asked to pre-register for the Information Meeting by submitting the Information Meeting Attendance Form (Schedule 6) to the Contact Person by email prior to Monday, March 7, 2022.
- 1.8.3 Webex connection details for the Information Meeting will be provided to prospective Respondents upon receipt of completed Information Meeting Attendance Form.

**SECTION 2 QUALIFICATION CRITERIA**

**2.1 General**

The City currently expects to base its decision with respect to each Respondent's qualification (or not) to participate in an invitation to tender on whether the statement of qualifications submitted by the Respondent as part of its Expression of Interest (its "**Statement of Qualifications**") has met, and whether such Statement of Qualifications shows that the Respondent has met, the requirements set out in the RFEI Documents and (ii) the evaluation criteria set out in Schedule 1 – Description of Requirements.

**2.2 Key Personnel and Subcontractors**

- 2.2.1 As part of its Statement of Qualifications, a Respondent should submit the names of proposed key personnel and subcontractors.
- 2.2.2 Qualification to participate in an invitation to tender may be conditioned on the use of the key personnel and subcontractors specified in a Statement of Qualifications, or other personnel or subcontractors approved in advance by the City.
- 2.2.3 A Respondent should therefore not change its key personnel or subcontractors without discussing the same with the City.
- 2.2.4 Notwithstanding the following, by submitting an Expression of Interest, each Respondent acknowledges that if selected to participate in an invitation to tender, the Respondent may be required to include subcontractors selected by the City.

**SECTION 3 COMMUNICATIONS**

Respondents may not communicate with the City about the RFEI except in writing by email to the contact person listed on the cover page of this RFEI.

## SECTION 4 SUBMISSION OF EXPRESSIONS OF INTEREST

### 4.1 Delivery

Each Respondent should submit a single electronic copy of its entire Expression of Interest by email to [bids@vancouver.ca](mailto:bids@vancouver.ca). It is each Respondent's sole responsibility to ensure delivery of its Expression of Interest by the Closing Time. All submissions should be made at the Respondent's sole cost and expense.

### 4.2 Late Expressions of Interest

The City of Vancouver may, in its discretion, accept, or reject and return, any Expression of Interest received after the Closing Time.

### 4.3 Form of Expression of Interest

Each Expression of Interest must consist of a letter in the form set forth in Schedule 2 together with a Statement of Qualifications in the format set forth in Schedule 3, an insurance certificate in the form set forth as Schedule 4 and declaration of Supplier Code of Conduct compliance in the form of Schedule 5.

### 4.4 Lack of Information

Following receipt of an Expression of Interest, the City of Vancouver may, in its sole discretion and without having any duty or obligation to do so, request that the Respondent provide the City of Vancouver with additional information to clarify or substantiate the information provided by the Respondent. If a Respondent fails to provide information required for the City's evaluation of the Respondent's qualifications, or fails to provide timely clarification or substantiation of the information supplied, that failure may result in no further consideration being given to the Expression of Interest.

### 4.5 Material Changes

Respondents should inform the City of Vancouver of any material change in information that might affect their qualification status at any time during the RFEOI process. Participants in an invitation to tender will be required to update key qualification information at the time of tender submission. Prior to the entry into any agreement for goods or services, a successful vendor will be required to confirm its continued status.

## SECTION 5 REVIEW OF EXPRESSIONS OF INTEREST

### 5.1 Evaluation by the City of Vancouver

The City will review the Expressions of Interest submitted to determine whether, in the City's opinion, each Respondent has demonstrated that it has the required experience and qualifications in order for it to advance in the City's procurement process. In doing so, the City currently expects to base its decision with respect to each Respondent on whether the Statement of qualifications submitted by the Respondent has met, and whether such Statement of Qualifications shows that the Respondent has met, the requirements set out in the RFEOI Documents and (ii) the evaluation criteria set out in Schedule 1 – Description of Requirements. The City currently expects to select a number of Respondents ("**Pre-Qualified Respondents**"); provided that:

**RFEOI No. PS20220192**  
**CONSTRUCTION SERVICES FOR GRANVILLE BRIDGE CONNECTOR AND NORTH LOOPS**  
**RECONFIGURATION - CONTRACTOR PREQUALIFICATION**

---

5.1.1 the determination of which Respondents are designated as Pre-Qualified Respondents will be at the sole discretion of the City; and

5.1.2 the City reserves the right to limit the number of Respondents designated as Pre-Qualified Respondents.

**5.2 Inquiries**

The City, in its sole discretion and without having any duty or obligation to do so, may conduct any inquiries or investigations, including but not limited to contacting references, to verify the statements, documents, and information submitted in connection with an Expression of Interest and may seek clarification from a Respondent's bankers and clients regarding any financial and experience issues.

**5.3 Non-Conforming Expressions of Interest**

Expressions of Interest which fail to conform to the format requirements set forth in Schedule 3 hereto or which fail to conform to any other requirement of these RFEOI Documents may be rejected by the City of Vancouver, in its discretion. Notwithstanding the foregoing or any other provision of these RFEOI Documents, the City may at its sole discretion elect to retain for consideration Expressions of Interest which deviate either materially or non-materially from the format requirements set out in Schedule 3 hereto or which otherwise fail to conform to any other requirement of these RFEOI Documents.

**SECTION 6 NOTIFICATION AND RFEOI PROCESS**

**6.1 Notification of Prequalification**

Following the Closing Time, the City of Vancouver will only notify those Respondents which are selected as Pre-Qualified Respondents (or with which the City proposes to proceed to negotiate an agreement). The City of Vancouver thanks all other Respondents for their interest.

**6.2 Changes after Pre-Qualification**

Any change in the structure or formation of a Pre-Qualified Respondent will be subject to prior written approval of the City prior to the deadline for submission of proposals or tenders. The City may deny that approval if the change in the structure or formation of the Pre-Qualified Respondent, from that presented in the Expression of Interest, would have affected whether or not the Respondent would have been short-listed in the first instance.

**6.3 The City of Vancouver Rights**

6.3.1 The City may, without liability to any Respondent or Pre-Qualified Respondent, may:

- (a) amend the scope and description of the goods and services to be procured under the RFEOI or any subsequent invitation to tender process, varying them from those described herein, or amend the qualifications that may be required to meet those requirements;
- (b) reject or accept any or all Expressions of Interest;
- (c) cancel the RFEOI process and reject all Expressions of Interest;

**RFEOI No. PS20220192**  
**CONSTRUCTION SERVICES FOR GRANVILLE BRIDGE CONNECTOR AND NORTH LOOPS**  
**RECONFIGURATION - CONTRACTOR PREQUALIFICATION**

---

- (d) cancel the RFEOI process and commence a new process in respect of the same invitation to tender with the same or an amended set of documents, information or requirements;
  - (e) request that any Respondent provide additional information, clarifications or goods samples or demonstrations, without requesting the same from all Respondents; or
  - (f) terminate the RFEOI process and enter into direct negotiations with any party whether or not a Respondent.
- 6.3.2 By submitting an Expression of Interest, a Respondent acknowledges and agrees that these RFEOI Documents are, in no way whatsoever, an offer to enter into an agreement (except on the limited terms and conditions expressly stated in Schedule 2), and that submission of an Expression of Interest by a Respondent does not in any way whatsoever create any obligation on the part of the City to treat the Respondent's or any other Respondent's Expression of Interest in any particular manner or undertake the City's RFEOI process in any particular manner (except as expressly stated in Schedule 2 with respect to confidentiality).
- 6.3.3 The form of letter set forth in Schedule 2 also contains a release of the City's liability and other important terms and conditions that should be reviewed carefully by each Respondent, and each Respondent should obtain the advice of independent legal counsel in connection therewith.

**6.4 Information Disclaimer**

- 6.4.1 The City makes no representation, warranty or undertaking with respect to these RFEOI Documents and the City and its directors, officers, employees, agents, consultants and advisors will not be liable or responsible for the accuracy or completeness of the information in these RFEOI Documents or for any other written or oral information made available to any interested person or its advisors, and any similar such liability however arising, is expressly disclaimed by the City.
- 6.4.2 Each Respondent should conduct its own independent investigations of all relevant matters and must not rely on the City in such regard. The information contained in the RFEOI Documents is provisional and is expected to be superseded by information in an invitation to tender and other documents.

**SECTION 7 CONFLICTS/COLLUSION/LOBBYING**

**7.1 Conflicts of Interest Generally**

Each Respondent must disclose whether any officer, director, shareholder, partner, employee or contractor of the Respondent or of any of its proposed subcontractors, or any other person related to the Respondent's or any proposed subcontractor's organization (a "person having an interest") or any spouse, business associate, friend or relative of a person having an interest is:

- (a) an elected official or employee of the City; or
- (b) related to or has any business or family relationship with an elected official or employee of the City,

**RFEI No. PS20220192**

**RECONFIGURATION - CONTRACTOR PREQUALIFICATION**

---

in each case such that there could be any conflict of interest or an appearance of a conflict of interest in the evaluation or consideration of the Respondent's Expression of Interest by the City. The City will evaluate each matter disclosed to determine whether and to what extent the Respondent can be given consideration in the RFEI in light of the particular matter.

**7.2 Former City Employees**

Each Respondent must disclose whether any person having an interest (as defined above) is a former official, former employee or former contractor of the City who has non-public information relevant to the RFEI obtained during his or her employment or engagement by the City. The City will evaluate each matter disclosed to determine whether and to what extent the Respondent can be given consideration in the RFEI in light of the particular matter.

**7.3 Other Clients**

Each Respondent must disclose whether the Respondent or any of its proposed subcontractors is currently engaged in supplying (or is proposing to supply) goods or services to a third party such that entering into an agreement with the City in relation to the subject matter of the RFEI would create a conflict of interest or the appearance of a conflict of interest between the Respondent's duties to the City and the Respondent's or its subcontractors' duties to such third party. The City will evaluate each matter disclosed to determine whether and to what extent the Respondent can be given consideration in the RFEI in light of the particular matter.

**7.4 Collusion**

Each Respondent is required to disclose whether the Respondent is competing for purposes of the RFEI with any entity with which it is legally or financially associated or affiliated. Each Respondent must also disclose whether it is cooperating in any manner in relation to the RFEI with any other Respondent responding to the RFEI. The City will evaluate each matter disclosed to determine whether and to what extent the Respondent can be given consideration in the RFEI in light of the particular matter.

**7.5 Lobbying**

Each Respondent is required to disclose whether it or any officer, director, shareholder, partner, employee or agent of the Respondent or any of its proposed subcontractors: (1) is registered as a lobbyist under any lobbyist legislation in any jurisdiction in Canada or in the United States of America; or (2) has engaged in any form of political or other lobbying whatsoever with respect to the RFEI or sought, other than through the submission of its Expression of Interest, to influence the outcome of the RFEI process. The City will evaluate each matter disclosed to determine whether and to what extent the Respondent can be given consideration in the RFEI in light of the particular matter.

**SCHEDULE 2 – LETTER OF EXPRESSION OF INTEREST**

*[Letterhead paper of the Respondent or participant responsible for  
a joint venture, including full postal address, telephone and facsimile.]*

Date: *[Insert]*

TO: THE CITY OF VANCOUVER (the “City”)

RE: **EXPRESSION OF INTEREST -- REQUEST FOR EXPRESSIONS OF INTEREST NO. PS20220192 (the  
“RFEI”) CONSTRUCTION SERVICES FOR GRANVILLE BRIDGE CONNECTOR AND NORTH LOOPS  
RECONFIGURATION - CONTRACTOR PREQUALIFICATION**

1. Being duly authorized to represent and act on behalf of *[Insert full corporate name and if a joint venture, then state “on behalf of...” and list the full corporate names of the companies forming the joint venture]*, the undersigned hereby submits the attached Statement of Qualifications and supporting materials on behalf thereof.
2. Herein, the term “Respondent” refers to *[insert full corporate name and if a joint venture, then state “...refers to each of” and list the full corporate names of the companies forming the joint venture]*.
3. The City and its representatives are hereby authorized to conduct any inquiries or investigations to verify the statements, documents, and information submitted in connection with this Expression of Interest, and to seek clarification from the Respondent’s bankers and clients regarding any financial and experience issues, and to do all other things stated in the RFEI.
4. Capitalized terms used herein have the definitions ascribed thereto in the RFEI.
5. The City its representatives may contact the following persons for further information:  
  
*[Insert information.]*
6. This Expression of Interest is made with the full understanding and agreement that:
  - (a) any information submitted during qualification may be subject to verification by the City of Vancouver, including during evaluation of any subsequent proposal or tender;
  - (b) the Respondent will (and does hereby undertake to) submit a bona fide proposal or tender in relation to the subject matter of the RFEI (and consistent with this Expression of Interest) if the City invites the Respondent to participate in a request for proposals or invitation to tender;
  - (c) the City of Vancouver may:
    - (i) amend the scope and description of the goods and services to be procured under the RFEI or any subsequent invitation to tender process, varying them from those described in the RFEI, or amend the qualifications that may be required to meet the City’s requirements;
    - (ii) reject or accept any or all Expressions of Interest;
    - (iii) cancel the RFEI process and reject all Expressions of Interest;

---

- (iv) cancel the RFEOI process and commence a new process in respect of the same invitation to tender with the same or an amended set of documents, information or requirements;
  - (v) request any respondent to provide additional information or clarification or goods samples or demonstrations without requesting such information from all respondents; or
  - (vi) terminate the RFEOI process and enter into direct negotiations with any party whether or not a respondent; and
- (d) the City of Vancouver will not be liable in any way whatsoever for any actions described under 4(c) of this letter.
- 7. The Respondent acknowledges and agrees that the RFEOI Documents are, in no way whatsoever, an offer to enter into an agreement except on the limited terms and conditions expressly stated in this letter, and submission of this Expression of Interest by the Respondent does not in any way whatsoever create any obligation on the part of the City to treat the Respondent's or any other respondent's Expression of Interest in any particular manner or undertake the City's RFEOI process in any particular manner (except as expressly stated below in this letter with respect to confidentiality).
- 8. The Respondent acknowledges and agrees to the information disclaimers and other terms and conditions set forth in the RFEOI.
- 9. Except only and to the extent that the City is in breach of Section 10 of this letter, the Respondent now releases the City, its officials, its agents and its employees from all liability for any costs, damages or losses incurred in connection with the RFEOI, including any cost, damages or losses in connection with:
  - (a) any alleged (or judicially determined) breach by the City or its officials, agents or employees any obligation or duty under the RFEOI;
  - (b) any unintentional tort of the City or its officials or employees occurring in the course of conducting the RFEOI; or
  - (c) the manner in which the City: reviews, considers, evaluates or negotiates any Expression of Interest; addresses or fails to address any Expression of Interest; or resolves to enter into any contract or not enter into any contract.
- 10. Subject to the applicable provisions of the *Freedom of Information and Protection of Privacy Act* (British Columbia) and the City's right to publicly disclose information about or from any Expression of Interest, including without limitation names and prices, in the course of publicly reporting to the Vancouver City Council about the RFEOI, the City will treat the Expression of Interest (and the City's evaluation of it), in confidence in substantially the same manner as it treats its own confidential material and information.
- 11. The Respondent acknowledges receipt of the following amendments and addenda (if applicable);

Amendment/Addendum No. [Complete]	Date: [Complete]
Amendment/Addendum No. [Complete]	Date: [Complete]

From the project description and intended project scope, what do you anticipate the main challenges and/or risks will be and why?

Provide specific details (methods, procedures and plans) on how the above challenges and/or risks will be controlled during construction, including any examples of similar items encountered and addressed from projects described under “Respondent Overview and Experience”.

Multiple third-party utility relocations from BC Hydro, Fortis, CMBC, and telecommunication companies need to be accommodated during the project. How will you coordinate with third-party utility companies to minimize construction impacts such as changes/extra work and delays due to delays/changes of the relocations?

Provide specific details (methods, procedures and plans) on how you will address this issue, including any examples of similar items encountered and addressed from projects described under “Respondent Overview and Experience”.

Demolition and reconstruction activities at the north end of the Granville Bridge are in close proximity to existing buildings, utilities and other infrastructure. No blasting is anticipated. What measures will you take during the work to avoid damage to existing infrastructure?

Given the nature of the work and proximity to existing structures, do you foresee any concerns with disturbances/impacts to residents and how you will mitigate these concerns? For example, it will not be acceptable that any damage occurs to the property, nor for items in the building’s units to fall off shelves or walls.

Provide specific details (methods, procedures and plans) on how you will address this issue, including any examples of similar items encountered and addressed from projects described under “Respondent Overview and Experience”.

Safety is important. Provide details on your proposed incident response plan for the project, including but not limited to timelines/procedures to inform the Owner and Contract Administrator and other relevant parties, how and by whom the incident investigation will be carried out, documentation, lessons learned, changes to SOP, etc. Provide details on how the incident response plan will be used for incidents caused by the Prime Contractor or by sub-contractors, including any examples from projects described under “Respondent Overview and Experience”.

**SCHEDULE 5 - DECLARATION OF SUPPLIER CODE OF CONDUCT COMPLIANCE**  
**DECLARATION OF SUPPLIER CODE OF CONDUCT COMPLIANCE**

Purpose: All proposed suppliers are to complete and submit this form to certify compliance with the supplier performance standards set out in the Supplier Code of Conduct.

The City of Vancouver expects each supplier of goods and services to the City to comply with the supplier performance standards set out in the City's Supplier Code of Conduct (SCC) <[http://vancouver.ca/policy\\_pdf/AF01401P1.pdf](http://vancouver.ca/policy_pdf/AF01401P1.pdf)>. The SCC defines minimum labour and environmental standards for City suppliers and their subcontractors.

Suppliers are expected to comply with the aforementioned standards upon submitting a tender, proposal, application, expression of interest or quotation to the City, or have a plan in place to comply within a specific period of time. The City reserves the right to determine an appropriate timeframe in which suppliers must come into compliance with these standards. To give effect to these requirements, an authorized signatory of each proposed vendor must complete the following declaration and include this declaration with its submission:

As an authorized signatory of \_\_\_\_\_(vendor name), I declare that I have reviewed the SCC and to the best of my knowledge, \_\_\_\_\_(vendor name) and its proposed subcontractors have not been and are not currently in violation of the SCC or convicted of an offence under national and other applicable laws referred to in the SCC, other than as noted in the table below (*include all violations/convictions that have occurred in the past three years as well as plans for corrective action*).

Section of SCC / title of law	Date of violation /conviction	Description of violation / conviction	Regulatory / adjudication body and document file number	Corrective action plan

I understand that a false declaration and/or lack of a corrective action plan may result in no further consideration being given to the submission of \_\_\_\_\_(vendor name).
