QUESTIONS AND ANSWERS NO. 2

ISSUED ON MAY 25, 2018

Q1	Under Surface Restoration Pay Items, the Job Stationing are given (i.e. Sta 0+70 to Sta 1+70) Is the Contractor required to restore (100 lm) of this road even though the Works is only 78 lm?? Meaning do we follow the Pay Item Description??
A1	The Tenderer should make due allowance to restore pavement surfaces as per Section 02590 of the City of Vancouver's Street Restoration Manual (SRM) provided on the City's FTP site for the subject Tender. This includes all pavement sawcut and/or excavated for utility installation and any and all peripheral damage to the road which has been caused by the utility installation works.
Q2	Kent Yard - What are the Working Hours?
A2	Kent Yards' operating hours are between 7:30am and 3:30pm Monday to Friday, except when Vancouver City Hall is closed. Extended operating hours may be requested and approved by special arrangement with the Engineer with the inclusion of Saturday working hours; however, this shall not be relied upon by the Tenderer for the purposes of pricing its tender submission.
