Q1	Please provide the list of locations that the city will be requiring for year 1, if this is unavailable can you please provide the list of locations that were provided last year?
A1	<p>Please be advised this is not an exhaustive list and for reference only. It will be subject to change without notice.</p> <ul style="list-style-type: none"> • 7 crossbikes along Smithe from Beatty to Homer including laneways and 1 crossbike on Beatty at Nelson • 4 crossbikes and 1 driveway crossing along W 2nd/6th west of Ash • 4 crossbikes along Cypress from W 1st to York including laneways • 1 driveway crossing on Hawks north of Powell • 6 driveways on the north side of Powell between Clark and Mclean • A minimum of 8 cross bikes at the Quebec and 1st intersection project • Hornby and Pacific/Howe and Pacific cross bikes • Along 10th Avenue • Along Creekside as part of SFC Seawall
Q2	Will all works be available in one continuous mobilization, or will locations become available at varying times in the year requiring multiple mobilizations?
A2	Typically the locations and times are varied throughout the year. Ideally, with a full day's work on each activation
Q3	As the tender calls for only Green MMA, will the City of Vancouver be spraying or placing bikes with their own forces
A3	Typically, the City does spray on their own symbols.
