Re: SUPPLY OF DELTA CONTROLS

Notice is hereby given by the City of Vancouver ("City") of its intent to contract with **ESC Automation** for the Supply of Delta Controls for a period of three years from September 27, 2017 to September 27, 2020.

Description:

The City requires the supply and modification of Delta Control system hardware and software used as building automation systems located in various City buildings. Approximately one third of the City's large buildings that incorporate building automation systems use Delta Control Systems. These building automation systems require periodic upgrading of hardware and software as equipment becomes obsolete, when upgrades and modifications are made to building HVAC and electrical systems, and during re-commissioning projects, implemented to improve building comfort and energy efficiency.

Delta Controls materials and licence are copyrighted and proprietary, and must be obtained from ESC Automation, Delta Controls Inc.'s sister company who hold the exclusive distribution rights for these products in Vancouver. The materials and licence are not available from other sources in the marketplace.

The contract is valued at approximately \$150,000 per year.

Anyone wishing to request more information and/or has questions or concerns to this regard is asked to contact Lea Raymond, Buyer, Supply Chain Management by email at learaymond@vancouver.ca.

Closing date and time: September 27, 2017, 3:00 p.m.
