Re: DIRECT DIGITAL CONTROL MAINTENANCE SERVICES - DELTA CONTROL SYSTEMS

Notice is hereby given by the City of Vancouver ("City") that it requires continuous and uninterrupted service of its Delta Direct Digital Control (DDC) systems. Services must be delivered at a competitive price with guaranteed service and support.

Currently, Seventeen (17) City facilities are serviced by ESC Automation with Delta Controls Systems, which has been utilized by City for approximately twenty (20) years. ESC Automation has exclusive rights authorized by Delta Controls Systems to market, design, install, program, and service the complete Delta Controls product line in the Province of British Columbia.

The City intends to contract with ESC Automation for three (3) years with the possibility of four (4) one (1) extensions commencing June 25, 2018 and ending on June 24, 2021. By awarding the contract, the City can maintain product and service continuity for the next three (3) years.

The contract is valued at approximately \$390,000.00 for a period of three (3) Years

Anyone wishing to request more information and/or has questions or concerns to this regard is asked to contact Dino Goundouvas, Contracting Specialist, Supply Management at 604-871-6812 or by email to dino.goundouvas@vancouver.ca
