SECTION 1 GENERAL INFORMATION

1.1 Introduction

The City of Vancouver (the “City”) is seeking expressions of interest (“Expressions of Interest”) from vendors with expertise in providing an open data platform.

The purpose of this RFEOI is for the City to obtain information on the functionality and suitability of a demonstrated off-the-shelf solution. The demonstrated off-the-shelf solution should, without major enhancements and/or customizations, meet most of the City’s requirements. In responding to this RFEOI, therefore, vendors should describe not only how closely their recommended out-of-the-box solution will meet the City’s requirements, but also what enhancements and/or customizations, if any, would be necessary to adapt their recommended solution to fully meet the City’s requirements. The recommended solution should be inclusive of software, hardware, and related services.

1.2 Background

The City of Vancouver’s Open Data website contains over 155 open datasets that are available for download and exploration by external parties. The website has seen a steady increase in visitor traffic as well as an increase in downloads over the last several years, potentially indicating an increase in interest in the City’s open data.

However, there are a number of limitations, both as an external party accessing our open datasets as well as internal City of Vancouver employees tasked with managing and / or engaging with the data. There are opportunities to improve the way we make our open data available for consumption (APIs, data driven story-telling, external dashboards, interactive maps) as well as how we encourage and manage feedback from users of the data (comments, social integrations, etc). Furthermore, there are opportunities to expand the internal user and management community from technically oriented resources to more business focused resources who may not have as much experience dealing directly with data or lack the technical skillsets to publish the data sets and monitor/troubleshoot when data sets are not refreshed as expected.

To this end, we are exploring what platform options exist that may help us efficiently and cost-effectively address these (and other) challenges and opportunities around improving our open data program.

1.3 Scope of Work

The details of system capabilities of the desired location management system are described in Schedule 1 of the RFEOI. This section describes the scope of activities that the successful vendor is required to perform:

- a) Create a design document that details how the requirements can be satisfied, including:
 - o High-level system design, including network, cybersecurity and disaster recovery. Include Cloud architecture, if applicable.
 - o Recommendations on the software and hardware and any consumables
 - o Identity and Access Management: describe how the system manages the lifecycle of user accounts, access, and privileges
 - o Implementation Options: indicate on-premise, cloud “as a service”, or hybrid options

RFEOI No. PS20180282
QUALIFICATIONS FOR PROVISION OF AN OPEN DATA PLATFORM

- Indicate standards compliance to the following: BC Privacy Act, , Data Centre standards (for hosted solutions), etc. Provide proof of compliance.
- b) Provide a detailed statement of work for the project, including effort estimates for vendor and City resources, inclusive of:
 - initial setup
 - licenses (number of licenses, type of license)
 - testing
 - training
 - any sustainment/maintenance services
- c) Provide a detailed implementation plan including, but not limited to:
 - A testing plan
 - A training plan
 - Any conversion activities needed
 - Key Personnel, responsibilities
 - Milestones and timelines
 - Service level requirements/agreement (e.g. % uptime, issues severities, response times, resolution times)

Provide on-going post-implementation support on user inquiries, trouble-shooting, maintenance, and product roadmap.

1.4 Sustainability

- 1.4.1 The City's Procurement Policy, Ethical Purchasing Policy and related Supplier Code of Conduct found at <http://vancouver.ca/doing-business/selling-to-and-buying-from-the-city.aspx> align the City's approach to procurement with its corporate social, environmental and economic sustainability values and goals. They evidence the City's commitment to maximize benefits to the environment through product and service selection, and to ensure safe and healthy workplaces, where human and civil rights are respected. Each City vendor is expected to adhere to the supplier performance standards set forth in the Supplier Code of Conduct. The Ethical Purchasing Policy shall be referred to in the evaluation of Expressions of Interest, to the extent applicable.
- 1.4.2 Vendors are to provide environmentally sensitive products or services wherever possible. Where there is a requirement that a vendor supply materials, and where such materials may cause adverse environmental effects, the vendor should indicate the nature of the hazard(s) in its Expression of Interest. Furthermore, each vendor is asked to advise the City of any known alternatives or substitutes for such materials that would mitigate such adverse effects.

1.5 RFEOI Process

- 1.5.1 Interested parties ("**Respondents**") are required to respond to this RFEOI in accordance with the instructions set forth in this RFEOI.
- 1.5.2 Expressions of Interest are being requested in order to afford the City of Vancouver the opportunity to gauge such responses and evaluate Respondents' expertise, so that the City may then conduct a more formal procurement process, tailored (as determined in the City's discretion) to the responses received and limited, should the City so determine, to all or some of the RFEOI Respondents. The City may carry out a Request for Proposals for release to multiple qualified Respondents during the period stated in Schedule 1 – Description of Requirements.

RFEI No. PS20180282
QUALIFICATIONS FOR PROVISION OF AN OPEN DATA PLATFORM

- 1.5.3 Notwithstanding the foregoing, the City may, as a result of the RFEI, decide to proceed directly to negotiate a contract with an outstanding Respondent (or the sole qualified Respondent, if there is only one).
- 1.5.4 The RFEI process is aimed at encouraging businesses with the required level of expertise to participate. Respondents should ensure that their Expressions of Interest demonstrate expertise in the Provision of an Open Data Platform.
- 1.5.5 Any potential Respondent is requested to refrain from submitting an Expression of Interest if it is not willing to submit bona fide proposal or tender in relation to the subject matter of the RFEI if the City invites the Respondent to participate in a request for proposals.
- 1.5.6 If a potential Respondent believes that the City may be unable to select it due to a conflict of interest, but is uncertain about this, the potential Respondent is urged to contact the individual named on the cover page above as soon as possible with the relevant information so that the City may advise the vendor regarding the matter.
- 1.6 **RFEI Documents**
- 1.6.1 This RFEI consists of:
- (a) the cover page hereof and sections 1 through 6 hereof; and
 - (b) schedules as follows:
 - (i) Schedule 1 – Description of Requirements (separate file);
 - (ii) Schedule 2 – Letter of Expression of Interest;
 - (iii) Schedule 3 – Format for Expressions of Interest; and
 - (iv) Schedule 4 – Certificate of Existing Insurance
 - (v) Schedule 5 – Declaration of Supplier Code of Conduct Compliance(collectively, the “RFEI Documents”)
- 1.6.2 If the City of Vancouver issues any amendments or addenda to the RFEI Documents, such amendments or addenda will form part of the RFEI Documents. It is the sole responsibility of all Proponents to check the City’s website at: <http://www.vancouver.ca/fs/bid/bidopp/openbid.htm> regularly for amendments or addenda to the RFEI Documents, including questions and answers posted by the City in relation to this RFEI.

SECTION 2 QUALIFICATION CRITERIA

2.1 General

The City may release a request for proposals to qualified Respondents based on (i) whether the statement of qualifications submitted by the Respondent as part of its Expression of Interest (its “**Statement of Qualifications**”) has met, and whether such Statement of Qualifications shows that the Respondent has met, the requirements set out in the RFEI Documents and (ii) the evaluation criteria set out in Schedule 1 – Description of Requirements.

2.2 Key Personnel and Subcontractors

- 2.2.1 As part of its Statement of Qualifications, a Respondent should submit the names of proposed key personnel and subcontractors.
- 2.2.2 If the City carries out a request for proposals, qualification to participate in a request for proposals may be conditioned on the use of the key personnel and subcontractors specified in a Statement of Qualifications, or other personnel or subcontractors approved in advance by the City.
- 2.2.3 A Respondent should therefore not change its key personnel or subcontractors without discussing the same with the City.
- 2.2.4 Notwithstanding the following, by submitting an Expression of Interest, each Respondent acknowledges that if selected to participate in a request for proposals, the Respondent may be required to include subcontractors selected by the City.

SECTION 3 COMMUNICATIONS

Respondents may not communicate with the City about the RFEOI except in writing by email to the contact person listed on the cover page of this RFEOI.

SECTION 4 SUBMISSION OF EXPRESSIONS OF INTEREST

4.1 Delivery

Each Respondent should submit a single electronic copy of its entire Expression of Interest by email to bid@vancouver.ca. It is each Respondent's sole responsibility to ensure delivery of its Expression of Interest by the Closing Time. All submissions should be made at the Respondent's sole cost and expense.

4.2 Late Expressions of Interest

The City of Vancouver may, in its discretion, accept, or reject and return, any Expression of Interest received after the Closing Time.

4.3 Form of Expression of Interest

Each Expression of Interest must consist of a letter in the form set forth in Schedule 2 together with a Statement of Qualifications in the format set forth in Schedule 3, an insurance certificate in the form set forth as Schedule 4 and declaration of Supplier Code of Conduct compliance in the form of Schedule 5.

4.4 Lack of Information

Following receipt of an Expression of Interest, the City of Vancouver may, in its sole discretion and without having any duty or obligation to do so, request that the Respondent provide the City of Vancouver with additional information to clarify or substantiate the information provided by the Respondent. If a Respondent fails to provide information required for the City's evaluation of the Respondent's qualifications, or fails to provide timely clarification or substantiation of the information supplied, that failure may result in no further consideration being given to the Expression of Interest.

4.5 Material Changes

Respondents should inform the City of Vancouver of any material change in information that might affect their qualification status at any time during the RFEOI process. If the City issues a request for proposals, qualified Respondents will be required to update key qualification information at the time of proposal submission. Prior to the entry into any agreement for goods or services, a successful vendor will be required to confirm its continued status.

SECTION 5 REVIEW OF EXPRESSIONS OF INTEREST

5.1 Evaluation by the City of Vancouver

The City will review the Expressions of Interest submitted to determine whether, in the City's opinion, each Respondent has demonstrated that it has the required experience and qualifications in order for it to advance in the City's procurement process. In doing so, the City currently expects to base its decision with respect to each Respondent on (i) whether the Statement of qualifications submitted by the Respondent has met, and whether such Statement of Qualifications shows that the Respondent has met, the requirements set out in the RFEOI Documents and (ii) the evaluation criteria set out in Schedule 1 – Description of Requirements. The City currently expects to select a number of Respondents ("**Pre-Qualified Respondents**"); provided that:

- 5.1.1 the determination of which Respondents are designated as Pre-Qualified Respondents will be at the sole discretion of the City;
- 5.1.2 the City reserves the right to limit the number of Respondents designated as Pre-Qualified Respondents;
- 5.1.3 the City may require short-listed Respondents to provide a product demonstration, either on-site or via remote video conference meeting; and
- 5.1.4 the City may require short-listed Respondents to participate in a vendor interview, either on-site or via remote video conference meeting.

5.2 Inquiries

The City, in its sole discretion and without having any duty or obligation to do so, may conduct any inquiries or investigations, including but not limited to contacting references, to verify the statements, documents, and information submitted in connection with an Expression of Interest and may seek clarification from a Respondent's bankers and clients regarding any financial and experience issues.

5.3 Non-Conforming Expressions of Interest

Expressions of Interest which fail to conform to the format requirements set forth in Schedule 3 hereto or which fail to conform to any other requirement of these RFEOI Documents may be rejected by the City of Vancouver, in its discretion. Notwithstanding the foregoing or any other provision of these RFEOI Documents, the City may at its sole discretion elect to retain for consideration Expressions of Interest which deviate either materially or non-materially from the format requirements set out in Schedule 3 hereto or which otherwise fail to conform to any other requirement of these RFEOI Documents.

SECTION 6 NOTIFICATION AND RFP PROCESS

6.1 Notification of Prequalification

Following the Closing Time, the City of Vancouver will only notify those Respondents which are selected as Pre-Qualified Respondents (or with which the City proposes to proceed to negotiate an agreement). The City of Vancouver thanks all other Respondents for their interest.

6.2 Changes after Pre-Qualification

Any change in the structure or formation of a Pre-Qualified Respondent will be subject to prior written approval of the City prior to the deadline for submission of proposals or tenders. The City may deny that approval if the change in the structure or formation of the Pre-Qualified Respondent, from that presented in the Expression of Interest, would have affected whether or not the Respondent would have been short-listed in the first instance.

6.3 The City of Vancouver Rights

6.3.1 The City may, without liability to any Respondent or Pre-Qualified Respondent, may:

- (d) cancel the RFEOI process and commence a new process in respect of the same request for proposals with the same or an amended set of documents, information or requirements;
- (e) request that any Respondent provide additional information, clarifications or goods samples or demonstrations, without requesting the same from all Respondents; or
- (f) terminate the RFEOI process and enter into direct negotiations with any party whether or not a Respondent .

6.3.2 By submitting an Expression of Interest, a Respondent acknowledges and agrees that these RFEOI Documents are, in no way whatsoever, an offer to enter into an agreement (except on the limited terms and conditions expressly stated in Schedule 2), and that submission of an Expression of Interest by a Respondent does not in any way whatsoever create any obligation on the part of the City to treat the Respondent's or any other Respondent's Expression of Interest in any particular manner or undertake the City's RFEOI process in any particular manner (except as expressly stated in Schedule 2 with respect to confidentiality).

6.3.3 The form of letter set forth in Schedule 2 also contains a release of the City's liability and other important terms and conditions that should be reviewed carefully by each Respondent, and each Respondent should obtain the advice of independent legal counsel in connection therewith.

6.4 Information Disclaimer

- 6.4.1 The City makes no representation, warranty or undertaking with respect to these RFEOI Documents and the City and its directors, officers, employees, agents, consultants and advisors will not be liable or responsible for the accuracy or completeness of the information in these RFEOI Documents or for any other written or oral information made available to any interested person or its advisors, and any similar such liability however arising, is expressly disclaimed by the City.
- 6.4.2 Each Respondent should conduct its own independent investigations of all relevant matters and must not rely on the City in such regard. The information contained in the RFEOI Documents is provisional and is expected to be superseded by information in a request for proposals and/or other documents.

6.5 Security Requirements

The City reserves the right to require, as a condition of a contract entered into with any successful vendor, or as a condition to participation in a request for proposals, that the vendor or directors or officers of the vendor consent to the City and its security partners conducting at the City's discretion, a security clearance investigation, including without limitation criminal records searches and such other security searches as the City may deem advisable, together with ongoing monitoring of the same.
