

**RFEOI No. PS20220192
CONSTRUCTION SERVICES FOR GRANVILLE BRIDGE CONNECTOR AND NORTH LOOPS
RECONFIGURATION**

QUESTIONS AND ANSWERS NO. 3

ISSUED ON March 21, 2022

Q1	Is schedule 1 to be submitted? This is the description of requirements for the RFEOI as outlined by the City and I am not sure it is a submittal requirement although it is noted in the NOTES section.
A1	There is no mandatory requirement for Schedule 1 to be submitted.
Q2	Please confirm the requirement of schedule 3 is to only acknowledge the format of submittal? If the questionnaire is to be included as part of the Schedule 1-5 single PDF document we have concerns the file will be too large to send.
A2	The City prefers to receive Schedule 3 in the format provided. The City is aware of the challenges presented with submitting large files via email and will accept responses contained in more than one email. Respondents should carefully review the submission instructions of the RFEOI. As per Amendment No. 1 (pg 2) the requirement to submit Schedules 1-5 in a combined .pdf has been removed.
