

**INVITATION TO TENDER NO. PS20180920
PROVISION OF CONTRACTOR SERVICES FOR WASHROOM UPGRADES
AT 3214 W 10 AVE**

QUESTION & ANSWERS NO. 1

ISSUED ON Sept 12, 2018

Q1	Could you provide a separate drawing for all new below grade plumbing (foundation plumbing)? It will be easier to understand the scope of work (slab demolition & reconstruction).
A1	See ADD No. 2 for the drawing under “1.2 Mechanical Addendum” for the new below grade plumbing.
Q2	Could you clarify what’s the scope of work for section 09 65 10 Resilient Flooring? There is nothing in the finish schedule.
A2	For the extent of resilient flooring, please refer to drawing 2/A2.1. Linoleum is provided by the owner and currently on site.
