

INVITATION TO TENDER "ITT" NO. PS20191496
CONSTRUCTION SERVICES FOR PHASE 4 CLOSURE AND GAS SYSTEM UPGRADES -
VANCOUVER LANDFILL

QUESTIONS AND ANSWERS NO. 2

ISSUED ON January 13, 2020

Q1	The Drawings are in secured .pdf format. Is it possible for the City to issue the Drawings in unsecured .pdf format? The secured Drawings are difficult to work with for subcontractor/supplier pricing.
A1	The Drawings on the FTP site for Tenderers have been replaced with unlocked versions.

All other conditions and specifications remain unchanged.
