QUESTIONS AND ANSWERS NO. 2

ISSUED ON MARCH 06, 2020

Q1	Normally there is a pay item for Temporary Erosion Control and Dust Suppression. Not on this tender? Or capture in what pay item?
A1	<p>Erosion and sediment control requirements are detailed in the Contract Documents, including but not limited to Section 01 50 00 - Temporary Facilities and Controls and Section 31 25 00 - Erosion Control.</p> <p>Regarding payment, Section 01 20 00 - Measurement and Payment, Subsection 1.03 reads:</p> <p>C. If the Schedule of Quantities and Prices does not include an item that is referenced in the Drawings and/or Specifications (by either direct mention and/or implication), the Contractor shall include all costs associated with such item in the most appropriate pay item.</p> <p>D. Prorate costs of a general nature that do not pertain to any item among all items except for Provisional Items.</p> <p>As such, the Bidders shall distribute all cost associated with erosion control and dust suppression as they see fit.</p>
