

INVITATION TO TENDER "ITT" NO. PS20200772
10TH AVE. HOSPITAL ZONE PHASE 2 CONSTRUCTION PROJECT

QUESTIONS AND ANSWERS NO. 1

ISSUED ON: August 19, 2020

Q1.1	Can you confirm if the line item for thermoplastic is to include the green MMA bike lanes, or will they be their own line item?
A1.1	The green MMA for bike lanes can be included under item 1.87 Thermoplastic Pavement Markings.
Q1.2	Also, in the Sign and Paint plan file, the second drawing (S2/4) indicates pink xwalk walks and stop bars, along with blue highlighted walkways with the stenciled words "Hospital Zone." Can you confirm if we are also to provide a price for these and if the blue walkways are to be blue MMA?
A1.2	All pink/magenta lines are intended to indicate white, such as parallel x-walk lines and zebra stripes. Green and blue are to be done in MMA.
Q1.3	As you know that the quantities are provided for the above project, Are we bidding on provided quantities? Is this project a Unit Price Contract?
A1.3	The contract is a fixed price contract with stated unit prices as basis for pricing.
Q1.4	Item 1.11 Concrete Sidewalk states that it includes tactile strip. But we also have pay item 1.89, 1.90 & 1.91 for tactile strips. We assume that we will be getting paid for Tactile Strips in pay item 1.89, 1.90 & 1.91. Is that correct?
A1.4	Yes, tactile strips will be paid for under payment items 1.89, 1.90 and 1.91.
Q1.5	Item 1.05 States that it includes Type A, D/W Crossing Curb & 150mm Pan curb, Does 580 lm includes all these 3 curbs? If yes, Can you please provide separate Quantities for each Curb?
A1.5	Yes, the total quantity includes all of these curbs. Please refer to roadworks sheets R12, R13 and R14. Using the curb and band key on those sheets and the labels provided in the plan all curb types and transitions are shown in detail.
Q1.6	Item 1.06 states that it includes removal of existing curb but there is also a pay item 1.33 of concrete barrier curb removal. In which pay item removal of item 1.06 curb will be paid under?
