INVITATION TO TENDER NO. PS20210298
CONTRACTOR FOR TEMPLETON TRACK RENEWAL

ADDENDUM NO.1

RE: ADDITIONAL INFORMATION

PLEASE TAKE NOTE OF THE FOLLOWING:

- In order to maintain a true 300m running distance, the project scope no longer includes expanding the width of the track by 0.3m to the interior field as shown on the drawings and noted specifically on details 5 and 6 on Sheet L3.02 Details - Sheet 2. The renewed track will instead maintain it's original width of 3.05m (see as-built drawing 277.003) with 3 evenly delineated lanes at 0.9m each and with 0.15m wide shoulders

This addendum must be completed, and attached to your Application form.
