

REQUEST FOR APPLICATIONS NO. PS20181461

PRE-QUALIFICATION OF PROFESSIONAL ENGINEERING SERVICES CONSULTANTS

QUESTIONS & ANSWERS NO. 3

ISSUED ON MARCH 18, 2019

Q1	In the Pricing Form, can Applicants indicate hourly rate escalations during the 3-year contract term?
A1	Yes.
Q2	In Appendix 4, are Applicant's References required for <u>each</u> Category being applied for?
A2	No: References are required for the company as a whole; however, Applicants should describe the relevant Categories under the 'Type of Goods and/or Services provided to this Client'.
Q3	How many firms will the City short-list for each category?
A3	The number of firms to be short-listed for each category has not been determined yet.
Q4	Does the City prefer one Application for each Category, or one Application for all Categories being applied for?
A4	One Application for all Categories being applied for.
Q5	In the Requirements spreadsheet, at the top of each tab, it is stated "Review and understanding the applicable sections of the City of Vancouver Engineering Design Manual and Standard Detail Drawing documents is required prior to checking off any related requirements below." Can the City make these referenced documents available?
A5	Please refer to the separate documents posted to the City's website on March 18, 2019: 1) PS20181461 - City of Vancouver - Standard Detail Drawings (First Edition 2018); and 2) PS20181461 - City of Vancouver - Engineering Design Manual (First Edition 2018).
