Q2	In order to quote the drawing S11.15 No.3 Frame and No.4 Cover will need a more detailed drawing or can we have some creative leeway to build it with modernizations that will lighten it and make it more stronger?		
A2	There is no additional detail for S11.15. Proponents are to meet Section 33 44 01, 2.1.7.1 of the City of Vancouver Specification. If the City's Specification is not sufficient, the proponent is to refer to Section 33 44 01, 2.1.7.1 of the MMCD Platinum Edition.
