

REQUEST FOR PROPOSAL NO. PS20130532

DESIGN SERVICES FOR KITSILANO SEASIDE GREENWAY AND STANLEY PARK CYCLING PLAN

QUESTIONS AND ANSWERS NO. 4

ISSUED ON OCTOBER 31, 2013

Q1	[For project B: Stanley Park Cycling Plan] The RFP states the consultant will be required to provide a survey for all areas of work, however it appears as though there is a survey for the Rose Garden Path (appendix 3b of the RFP). Will there be a survey available from the City for the Rose Garden Path or any other site identified in this project?
A1	<i>Consultant is not to rely on this original survey work and is expected to do their own survey. The drawing was included to offer a general guide for the proposed alignment.</i>
Q2	Part 1.2 of the RFP states: “The RFP concerns the City’s interest in procuring the services of a Consulting firm for two (2) separate project initiatives as detailed in Schedule 1 of this RFP. The Proponent may submit their proposal for one (1) or both of the said projects and it should be clearly stated in the relevant field on Appendix 1 to Part A.” I understand Appendix 1 to Part A is the intent to attend site meeting form. Are you referring to Appendix 1 in Part C - form of proposal letter?
A2	<i>It was referring to the site meeting form to identify who will attend both or just 1 site meeting as we initially wanted to have 2 separate meetings. I failed to update the said statement.</i> <i>Should you wish to propose for 1 or both projects, you will have to indicate that in the Proposal form by ticking the appropriate box(es).</i>
