PART A - INFORMATION AND INSTRUCTIONS

1.0 THE RFP

- 1.1 This Request for Proposals (the "RFP") provides an opportunity to submit proposals for review by the City and, depending on the City's evaluation of proposals, among other factors, to potentially negotiate with the City to enter into a contract. **EXCEPT WHERE EXPRESSLY STATED OTHERWISE IN APPENDIX 1 TO PART C OF THE RFP: (I) NO PART OF THE RFP CONSISTS OF AN OFFER BY THE CITY TO ENTER INTO ANY CONTRACTUAL RELATIONSHIP; AND (II) NO PART OF THE RFP IS LEGALLY BINDING ON THE CITY.**
- 1.2 The RFP concerns the City's interest in procuring services from qualified consultants to undertake a sponsorship policy review and to create a master inventory list for a number of City-owned assets that can be marketed for sponsorship activities (naming rights, marketing activations, etc.) Details of the City's objectives and requirements to which the RFP relates are set out in Part B of the RFP. The City welcomes proposals that are responsive to this RFP ("Proposals") respecting innovative or novel approaches to the City's objectives and requirements.
- 1.3 The City is interested in selecting an entity, which is not, by the terms hereof, barred from submitting a Proposal, and which does submit a Proposal (each such entity, a "Proponent") with the capability and experience to efficiently and cost-effectively meet the objectives and requirements described in the RFP. The City currently expects to select such a Proponent and then enter into negotiations with that Proponent, which will conclude in the execution of a contract between the Proponent and the City (such a contract, an "Agreement"). However, the City may: (i) decline to select any Proponent; (ii) decline to enter into any Agreement; (iii) select multiple Proponents for negotiation; or (iv) enter into one or more agreements respecting the subject matter of the RFP with one or more Proponents or other entities at any time. The City may also terminate the RFP at any time.
- 1.4 The City currently intends that Proposals will be evaluated by the City in relation to their overall value, which will be assessed in the City's sole and absolute discretion. In assessing value, the City expects to consider the factors described in Section 8 below, among others.
- 1.5 **NO BID SECURITY IS REQUIRED FROM PROPONENTS IN CONNECTION WITH THE SUBMISSION OF PROPOSALS BECAUSE NO PROPOSAL WILL BE DEEMED TO BE AN IRREVOCABLE OR OTHERWISE BINDING LEGAL OFFER BY A PROPONENT TO THE CITY. THE LEGAL OBLIGATIONS OF A PROPONENT THAT WILL ARISE UPON THE SUBMISSION OF ITS PROPOSAL WILL BE LIMITED TO THE TERMS AND CONDITIONS STATED UNDER THE HEADING "LEGAL TERMS & CONDITIONS" IN APPENDIX 1 TO THE FORM OF PROPOSAL.**
- 1.6 The execution of an Agreement may be contingent on funding being approved, and the relevant Proposal being approved, by the Vancouver City Council.
- 1.7 The RFP consists of four parts, plus appendices:
- (a) PART A - INFORMATION AND INSTRUCTIONS: This part is intended to serve as a guide to the RFP process for Proponents.
 - (b) PART B - CITY REQUIREMENTS: This part describes the subject matter of the RFP, in respect of which the City invites Proposals.
 - (c) PART C - FORM OF PROPOSAL: This is the form in which the Proposal should be submitted.

They evidence the City's commitment to maximize benefits to the environment and the community through product and service selection, and to ensure safe and healthy workplaces, where human and civil rights are respected. Each Proponent is expected to adhere to the supplier performance standards set forth in the Supplier Code of Conduct. The Ethical Purchasing Policy shall be referred to in the evaluation of Proposals, to the extent applicable.

10.0 CERTAIN APPLICABLE LEGISLATION

10.1 Proponents should note that the City of Vancouver is subject to the *Freedom of Information and Protection of Privacy Act* (British Columbia), which imposes significant obligations on the City's consultants or contractors to protect all personal information acquired from the City in the course of providing any service to the City.

PART B - CITY REQUIREMENTS

The requirements stated in this Part B (collectively, the “Requirements”) are current as of the date hereof, but they may change or be refined in the course of the evaluation of Proposals or otherwise.

To the extent that the Requirements express estimates of quantities or volumes of goods or services expected to be required by the City, the City cannot offer any assurances that such quantities or volumes will in fact be required.

1.0 INTRODUCTION

The City of Vancouver (referred to in this document as “City”) is seeking submissions from qualified consultants to undertake a sponsorship policy review and to create a master inventory list for a number of City-owned assets that can be marketed for sponsorship activities (naming rights, marketing activations, etc.).

Based on industry best practice, the successful Proponent will advise City staff on the different types of policies that need to be in place to allow staff the flexibility to engage in complex sponsorship activities and negotiations. The successful Proponent will work with City staff and engage key external stakeholders to gather information that will inform the work described in this RFP.

The work described in this RFP is part of the City’s first and second phase development of a long-term sponsorship strategy. City staff may recommend at a later time to expand the scope of service to assist in the final phase development of the long-term sponsorship strategy. The Proponent must have experience in leading comparable projects for cities similar to Vancouver in size and complexity.

2.0 BACKGROUND

3.0 OVERALL OBJECTIVE

- a) Recommend and develop policies to assist City staff and Council decision making regarding sponsorship proposals (naming rights, marketing activations, etc.). The Proponent shall consider practices and policies from all City departments to ensure that we achieve city-wide alignment.
- b) Create a master inventory list for 8-10 City-owned assets. The master inventory list shall include all the components that can be leveraged for sponsorships (excluding advertisements) and the fair market valuation of those components. The selected City-owned assets are representative of the range of assets described in the "BACKGROUND" section that could potentially enter into a sponsorship agreement. This work is the first phase of the City's long-term sponsorship strategy which may require an assessment and valuation for other applicable assets in the future.
- c) Gauge community sentiment on the eventual partnerships between the City and external parties (e.g. corporations, foundations, private sponsors, etc.) for those assets evaluated in Phase 1 of this study.

4.0 SPECIFIC REQUIREMENTS

Please note that the City's estimated total level of effort for the entire project is approximately 800-850 hours. However this is the City's estimate of the required time to undertake the work for each phase of the scope and should not be seen as a maximum time. The City expects the Proponent to provide its own estimates of time requirements based on its experience and expertise.

4.1 Phase 1: Background Research and Asset Valuations

The successful Proponent will undertake the following activities to inform the final written report and presentations:

- a) Compare City policies and practices with other similar municipalities including but not limited to Surrey, Calgary, Edmonton, Montreal, Toronto, Ottawa, no more than eight maximum. Based upon the information collected, the successful Proponent shall advise on the type of policies that should be in place or revised. The successful Proponent will be required to:
 - Review all relevant sponsorship/naming rights policies, as well as other applicable reports and documents, from other similar municipalities and compare against the City's practices.
 - Understand how other municipalities are managing their sponsorship programs (i.e. process, structure, roles and responsibilities, etc.)

REQUEST FOR PROPOSALS NO. PS20161687
CONSULTANT SERVICES FOR ASSET INVENTORY VALUATION FOR SPONSORSHIP/NAMING RIGHTS
PART B - CITY REQUIREMENTS

- Conduct interviews with key internal stakeholders to understand current practices, challenges and opportunities. Furthermore, the selected successful Proponent shall review all relevant guidelines, policies and bylaws (i.e. sponsorship policies, and sign bylaw) that could be amended for city-wide alignment related to sponsorship activities. The outcome of this review should indicate the need for a specific type of sponsorship policy or for a revision to an existing policy.
- b) Perform an audit on (8-10) City-owned assets. The results from this audit will support the future development of the City's long-term sponsorship strategy. The successful Proponent will be required to:
 - Develop the criteria to identify all marketable components (ie. programs and facilities) associated with those assets and determine the type of sponsorships that can be leveraged, such as naming rights for a facility. As part of this exercise, explain why some components are not applicable for sponsorships and/or naming rights.
 - Estimate the fair market value for those marketable components and explain the valuation methodology used for this exercise. The successful Proponent will conduct interviews with key internal stakeholders, visit properties and review relevant marketing materials, and conduct appropriate external research to inform the valuation study.
 - Provide the City with realistic revenue projections and return on investment based on various sponsorship/agreement terms (e.g. 5, 10, 15, 20 years). Suggest how the City can maximize the market value of these assets or potential revenues via targeted sponsorships and bundling.
- c) Finalize policy recommendations and present to City Steering Committee and Senior Staff.
 - Present preliminary findings and deliver a sponsorship 101 to Senior City Staff in Vancouver. The purpose of the sponsorship 101 is to provide general information to Senior City Staff on the intricacies, risks and opportunities associated with the development of a sponsorship program.
 - Present findings and recommendations.
 - One teleconference presentation to City Steering Committee.
 - Three onsite presentations to Senior City Staff - this is separate from the sponsorship 101.

4.2 Phase 2: Community Consultation and Policy Development

The work described in Phase 2 will be contingent on further approval by Senior Staff and Council based on the result from Phase 1 work; however, the successful Proponent must include Phase 2 as part of the proposal. The successful Proponent is required to:

- a) Undertake consultation with community stakeholders. The budget should include two stakeholder meetings.
 - Collaborate with City staff to develop presentations, key messages, and materials.
 - Lead and facilitate consultation activities to gather feedback from community stakeholders. The successful Proponent shall provide recommendations to address any immediate challenges or issues discovered through these consultations.
- b) Develop the appropriate City sponsorship and naming rights policies based on Phase 1 recommendations. The successful Proponent shall provide a set of principles and objectives, criteria of evaluation, reporting hierarchy, roles and responsibilities, and etc. for policies recommended.
- c) Finalize policy development and present to City Steering Committee and Senior Staff.
 - Three teleconference presentations to City Steering Committee.
 - Three onsite presentations to Senior City Staff.

PART B - CITY REQUIREMENTS

Phase 3: Long-term Sponsorship Strategy (OPTIONAL, DETAIL SCOPE TO BE DETERMINED LATER)

The City may request to expand the scope of work to include the development of a long-term sponsorship strategy. The following services *may be considered*:

- a) Evaluate applicable City assets that can be leveraged for sponsorships.
- b) Recommend the sales and marketing strategy to maximize the City's return on investment.
- c) Support the City on the implementation of the strategy prescribed (to be determined at a later time).
- d) More to be determined as needed by City Staff.

If the City wishes to expand the scope of work, a workplan will be requested by the City representative. The workplan will describe the activities and resources required to complete the deliverables which will be determined by City staff once Phase 1 and 2 are completed. The decision to expand the scope of work will depend on 1) Council approval to advance Phase 3, 2) Steering Committee approval on funding, and 3) Senior Staff review of the work completed in Phase 1 and 2.

5.0 Schedule and key deliverables

The suggested project milestones are as follows. The Proponent's proposal should demonstrate that the project can meet these key milestone dates. If the timeline below is not achievable, the Proponent must clearly state this in their submission and provide an alternate schedule for consideration.

Upon award, City staff will work with the successful Proponent to develop a detailed timeline for the deliverables described in this document. It is expected that the successful Proponent will meet regularly either by telephone or onsite with City staff to provide updates and to present interim deliverables.

PART D - FORM OF AGREEMENT

5.9 The Consultant shall provide bank account information to the City to enable the City to make payments by electronic funds transfer, as contemplated hereby.

6.0 CHANGES TO SCOPE OF SERVICES

6.1 The City's Project Manager may, from time to time and at any time on prior written notice to the Consultant, vary the scope of Services to be provided by the Consultant. In that case and where this Agreement contains delivery dates and/or limits as to fees or disbursements (or a defined "Maximum Fees and Disbursements") for all or any part of the Services, such delivery dates and/or limits will be adjusted as agreed to by both Parties in writing, and failing agreement, as reasonably determined by the City's Project Manager.

6.2 Should the Consultant consider that any request or instruction from the City's Project Manager constitutes a change in the scope of Services, the Consultant will provide the City's Project Manager with notice in writing within ten days of such request or instruction. If the Consultant does not deliver written notice to the City within the time period specified, the City will not be obligated to make any payments of additional fees, disbursements or out of pocket expenses to the Consultant.

6.3 The City's Project Manager will consider the Consultant's written notice (if any) within a further ten days of receipt of the Consultant's notice and determine and advise as to whether the request constitutes a change in the scope of the Services and, if necessary, the method by which the variation will be scoped and reimbursed. If the City determines that the professional fees payable to the Consultant should be increased due to an increase in the scope of the Services then any such increases will be based on the hourly rates set out in Section [insert] of the Proposal.

7.0 RELEASE AND INDEMNIFICATION

7.1 The Consultant now releases the City, its officials, officers, employees and agents from all costs, losses, damages and expenses, including those caused by personal injury, death, property damage, loss and economic loss arising out of, suffered or experienced by the Consultant, its Sub-contractors, and their respective officers, employees and agents in connection with their performance of the Services under this Agreement.

7.2 In undertaking the Services, the Consultant acknowledges that the Consultant has inspected the City's Site, agrees to accept the City's Site "as-is" and undertakes to take all precautions necessary to ensure the safety of all persons employed or contracted by the Consultant to perform the Services.

7.3 Despite any insurance coverage of the City, the Consultant hereby agrees to indemnify and save harmless the City of Vancouver and its successors, assigns, official, employees, agents and authorized representatives and each of them (in each case an "Indemnified Party") from and against all costs, losses, claims, damages, actions, and causes of actions (collectively referred to as "Claims") that an Indemnified Party may sustain, incur, suffer or be put to at any time either before or after the expiration or termination of this Agreement, that arise out of errors, omissions or negligent acts of the Consultant, its Sub-contractors, or their respective officers, employees or agents under this Agreement excepting always that this indemnity does not apply to the extent, if any, to which the Claims are caused by errors, omissions or negligent acts of an Indemnified Party.

7.4 This indemnity will not affect or prejudice the City from exercising any other rights that may be available to it at law or in equity.

PART D - FORM OF AGREEMENT

7.5 The release and indemnity set out above will survive the expiry or sooner termination of this Agreement.

8.0 INSURANCE

8.1 The Consultant will comply with the insurance requirements set out in Appendix A - Insurance Requirements.

9.0 WORKSAFEBC

9.1 The Consultant agrees that it will procure and carry and pay for, full WorkSafeBC coverage for itself and all workers, employees, servants and others engaged in or upon any work or service which is the subject of this Agreement. The Consultant agrees that the City has the unfettered right to set off the amount of the unpaid premiums and assessments for such WorkSafeBC coverage against any monies owing by the City to the Consultant. The City will have the right to withhold payment under this Agreement until the WorkSafeBC premiums, assessments or penalties in respect of work done or service performed in fulfilling this Agreement have been paid in full.

9.2 The Consultant will provide the City with the Consultant's and each Sub-contractor's WorkSafeBC registration number and clearance letters from WorkSafeBC confirming that the Consultant and each Sub-contractor are registered in good standing with WorkSafeBC and that all assessments have been paid to the date thereof prior to the City having any obligation to pay monies under this Agreement. The Consultant will indemnify the City and hold harmless the City from all manner of claims, demands, costs, losses, penalties and proceedings arising out of or in any way related to unpaid WorkSafeBC assessments owing from any person or corporation engaged by the Consultant in the performance of this Agreement or arising out of or in any way related to the failure to observe safety rules, regulations and practices of WorkSafeBC, including penalties levied by WorkSafeBC.

9.3 Whenever the Consultant is required or permitted to perform any Services on any City sites, the Consultant is now appointed and now accepts appointment as the "prime contractor" (as defined in the WorkSafeBC regulations) in connection with such Services.

[NTD: If the types of services contemplated by this form of Agreement are to be performed in a multi employer workplace, a "Prime Contractor" agreement should be requested from Legal Services and should be executed by the Consultant.]

10.0 CITY INFORMATION/APPROVALS

10.1 No reviews, approvals or inspections carried out or information supplied by the City will derogate from the duties and obligations of the Consultant (with respect to designs, reviews, inspections, approvals or otherwise), and all responsibility related to the Services will be and remain with the Consultant. For greater certainty, any information provided by the City to the Consultant, whether under the RFP or under this Agreement, including any studies, reports, plans, drawings, or specifications, is provided to the Consultant for information purposes only and may not be relied upon by the Consultant.

11.0 COMMUNICATION BETWEEN CONSULTANT AND CITY

11.1 The City appoints [insert name] [email address] as the City's Project Manager for the purposes of this Agreement.

In the event of the revocation in writing of [insert name]'s appointment as the City's Project Manager by the City, [insert name] will have no further authority under this Agreement,

except as may be specifically designated in writing by the City and agreed to in writing by [insert name], and all references to the City's Project Manager in this Agreement will thereafter be deemed to be a reference to the City or to such other person designated in writing by the City to the Consultant.

The City's Project Manager may from time to time delegate to a representative the performance of or the authority to perform the duties, responsibilities, rights and obligations of the City in respect of which the City's Project Manager has been designated and appointed its sole and exclusive agent.

11.2 The Consultant appoints [insert name] [email address] as its representative for the purposes of this Agreement (the "Consultant's Project Manager").

11.3 Unless otherwise agreed to in writing by the Parties, all material communication between the Consultant and the City regarding this Agreement, including performance of the Services, will be between the City's Project Manager and the Consultant's Project Manager.

12.0 TERM OF AGREEMENT

12.1 This Agreement will commence on the Effective Date and will expire on the completion of the Services, which Services must be completed by [insert date] (the "Term").

[Note: If specific phases must be completed by specific dates then insert a more detailed timetable or reference timetable in a schedule and refer to it here.]

13.0 TERMINATION

13.1 The City at any time, in its sole judgment, may, whether or not cause exists, terminate the services of the Consultant in whole or in part by giving ten days' prior written notice to the Consultant. If termination is not for cause, the Consultant will be paid for all Services properly performed to the date of the delivery of the said notice (subject to the terms of this Agreement) plus all necessary and reasonable wind-up costs incurred, if any, in closing out the Services or the part terminated.

13.2 Despite Section 13.1, in no event and under no circumstances will the Consultant's "necessary and reasonable wind-up costs incurred" pursuant to Section 13.1 exceed \$500 (including all taxes).

14.0 ASSIGNMENT

14.1 The Consultant will not assign this Agreement in whole or in part except with the prior written consent of the City, which consent will not be unreasonably withheld, delayed or conditioned. Any attempt to assign this Agreement without such consent will be void and of no effect. However, the Consultant will be permitted to assign this Agreement to any entity into, by or with which the business or assets of the Consultant have been merged, acquired, consolidated or re-organized, or any entity which purchases all or substantially all of the business or assets of the Consultant, provided always that the Consultant first provides the City with:

- (a) reasonable particulars of the transaction (permitting the City to independently verify the nature of the transaction); and
- (b) a legally enforceable covenant from the new entity confirming that it is legally bound to the City to perform this Agreement.

PART D - FORM OF AGREEMENT

15.0 CONFIDENTIALITY

- 15.1 In the course of or for the purpose of performing the Services, the Consultant will obtain or have access to information, including but not limited to technical information, financial information and business information, which is confidential to the City, and is the exclusive, world-wide property of the City and/or its suppliers and customers (collectively "Confidential Information"). Excluded from the definition of Confidential Information is:
- (a) information which is in, or becomes part of, the public domain, not due to the Consultant's breach of this Agreement or the Consultant's actions;
 - (b) information which was previously in the Consultant's possession and did not originate from the City; and
 - (c) information which lawfully becomes available to the Consultant from a third party not under an obligation of confidence to the City regarding such information.
- 15.2 The Consultant will not use or reproduce the Confidential Information other than as reasonably required for the performance of the Services under this Agreement. The Consultant will not, without the prior written consent of the City given on such terms and conditions as it prescribes in its sole discretion, disclose or allow access to the Confidential Information to any person, except to only those of its own employees who have a need to know the Confidential Information solely for the provision of the Services, and who have been advised of its confidential nature and have agreed to be bound by the confidentiality and use-restriction provisions in this Section 15.0. The Consultant will take all reasonable precautions against the Confidential Information being used by or disclosed to any unauthorized person.
- 15.3 If the Consultant is required by any law, legal proceeding, or court or government order, to disclose any Confidential Information, the Consultant shall limit its disclosure of such Confidential Information to the extent and purpose legally required, provided that prior to any disclosure the Consultant will promptly notify the City in writing of the existence and the terms, and conditions of the required disclosure and, at the City's request and expense, cooperate in obtaining a protective order or other assurance that confidential treatment and restrictions on use will be accorded such Confidential Information.
- 15.4 The City is subject to the *Freedom of Information and Protection of Privacy Act* (British Columbia), which imposes significant obligations on the City's contractors to protect all personal information acquired from the City in the course of providing services to the City. The Consultant confirms and acknowledges its obligations to comply with all obligations imposed on it pursuant to the *Freedom of Information and Protection of Privacy Act* (British Columbia) with respect to all personal information received from the City whether as part of the Confidential Information or otherwise.
- 15.5 The Consultant acknowledges that in the event of a breach by the Consultant or any of its employees of their respective confidentiality obligations pursuant to this Section 15.0, damages alone would not be an adequate remedy. The Consultant therefore agrees with the City that, in addition to and without limiting any other right or remedy it may have, the City will have the right to an immediate injunction or other available equitable relief in any court of competent jurisdiction enjoining any threatened or actual breach of such obligations.
- 15.6 The Consultant shall return all copies of the Confidential Information to the City, in all tangible forms and media, and delete all Confidential Information resident in any databases or systems, upon the earliest of the following dates:
- (a) completion of the Services;

- (b) expiration or earlier termination of this Agreement; and
- (c) written request of the City for return of the Confidential Information;

provided that the Consultant shall have the right to retain one copy of the Confidential Information solely for archival purposes or as otherwise may be required by law, subject to its ongoing confidentiality and restricted use obligations.

15.7 This Section 15.0 shall survive the expiration or earlier termination of this Agreement.

16.0 NO PROMOTION OF RELATIONSHIP

16.1 The Consultant will not disclose or promote its relationship with the City, including by means of any verbal declarations, announcements, sales, marketing or other literature, letters, client lists, websites, internet domain names, press releases, brochures or other written materials (the "Communications") without the express prior written consent of the City (except as may be necessary for the Consultant to perform its obligations under this Agreement).

16.2 Furthermore, the Consultant undertakes and will cause all of its Sub-contractors to undertake not to disclose or promote its relationship with the City in any Communications in a manner which could suggest or create an association, express or implied, between the Consultant and the City. Without limiting the generality of the foregoing, the Consultant will not refer to or use any website, domain name, official emblem, logo or mascot of the City of Vancouver in any Communications, without the express prior written consent of the City.

17.0 DELIVERABLES

17.1 As a result of or as part of providing the Services, the Consultant may receive, create, produce, acquire or collect one or more of the following:

- (a) products, goods, equipment, supplies, models, prototypes and other materials;
- (b) information and data;
- (c) reports, drawings, plans, designs, depictions, specifications and other documentation; and
- (d) any other items identified in this Agreement as deliverables;

(collectively, the "Deliverables").

17.2 Deliverables are deemed not to include:

- (a) any item not required to be produced by the Consultant or supplied to the City as part of or together with the Services, provided that if the City has paid or is liable to pay for any portion of such item's creation, production, acquisition or collection then such item shall be deemed to be a Deliverable;
- (b) any item produced as a result of the Services, which is specified in this Agreement as being excluded from the Deliverables category; and
- (c) any item which pre-existed the effective date of this Agreement, that is owned by a third party or that is used by the Consultant as part of the services provided to any of its other customers (the "Pre-Existing Materials").

PART D - FORM OF AGREEMENT

- 17.3 All Deliverables will be owned solely by the City unless otherwise expressly provided herein. The City shall have the complete and unfettered right to use and deal with the Deliverables for its own benefit in any way it sees fit without limitation, and without accounting in any way to the Consultant.
- 17.4 The Consultant will keep accurate records and provide regular reports to the City about the Deliverables as they are created or acquired, and grant to the City access to the Deliverables at all times on reasonable notice. The Consultant will treat each Deliverable as subject to the confidentiality provisions set out in Section 15.0 unless advised otherwise by the City.
- 17.5 Each Deliverable, as to the whole or that portion of the Deliverable then existing, will be delivered by the Consultant to the City on the earliest of each of the following events:
- (a) the date specified in this Agreement for the delivery of such Deliverable;
 - (b) immediately on the date of expiration or sooner termination of this Agreement; or
 - (c) the date specified by written notice of the City requesting delivery of all or any part of the Deliverable.
- 17.6 The Consultant transfers to the City, free of all liens and encumbrances, ownership of each Deliverable, and assigns all of its world-wide present and future rights, title and interest in and to each Deliverable, including copyright, effective as of the date of creation or acquisition of such Deliverable by the Consultant. The Consultant irrevocably waives, in favour of the City, all moral rights in the Deliverables. The Consultant will obtain from its employees and any independent contractors, all required assignments and releases of intellectual property, and waivers of moral rights, in the Deliverables. The Consultant will not assert any rights to or interests in, or apply for or register any copyright or other rights or interests in, the Deliverables, or assist any other person in doing so. The Consultant shall provide to the City, during and after the term of this Agreement, any reasonable assistance required for the City to obtain, perfect and enforce its ownership of and rights in the Deliverables, including without limitation execution of assignments and transfers of the Deliverables. This Section does not apply to Pre-Existing Materials.
- 17.7 The Consultant will not incorporate any Pre-Existing Materials in any Deliverable without first:
- (a) advising the City, in writing, of the nature of the Pre-Existing Materials and their proposed use and obtaining the City's written consent to do so;

- 18.2 Any notice required or permitted to be given to the City will be sufficiently given if delivered in writing by the Consultant's Project Manager to the City's Project Manager personally or, if mailed, by registered mail to City of Vancouver at 453 West 12th Avenue, Vancouver, B.C., V5Y 1V4 (addressed to the attention of the City's Project Manager).

19.0 NO CONFLICT OF INTEREST

- 19.1 The Consultant agrees that during the Term the Consultant will not engage in any conduct which would or might put the interests of the City into conflict with the interests of any other person, whether or not a client of the Consultant's. Without limiting the general scope of this Section 19.1 and by way of example only, the Consultant is prohibited from and will not provide any services which assist or could be seen to be assisting any person in responding to a request for proposal or invitation to tender, or otherwise giving that person an unfair competitive advantage over other proponents or tenderers responding to a request for proposal or invitation to tender by the City. The Consultant now acknowledges that a breach of this Section 19.1 could constitute not only a breach of this Agreement but also a violation of the *Competition Act* (Canada) and *Criminal Code* of Canada, and accordingly, could be punishable as a crime (as well as a breach of contract).
- 19.2 The Consultant now confirms and warrants that there is no officer, director, shareholder, partner or employee or other person related to the Consultant's organization (a "person having an interest") or any spouse, business associate, friend or relative of a person having an interest who is:
- (a) an elected official or employee of the City; or
 - (b) related to or has any business or family relationship with an elected official or employee of the City, such that there would be any conflict of interest or any appearance of a conflict of interest in the administration of this Agreement or the performance of the Services.

20.0 NON-RESIDENT WITHHOLDING TAX

- 20.1 If the Consultant is a non-resident of Canada as defined in Canadian income tax legislation, the City may withhold from all monies payable under this Agreement such amounts as set out in Canadian income tax legislation, unless a Canada Revenue Agency waiver has been provided to the City within the time limit required under the Canada Revenue Agency administrative guidelines as in effect from time to time and, in any event, prior to payment of an invoiced amount.
- 20.2 The City shall receive full credit under this Agreement for monies withheld as of and from the date of the withholding and no interest will be payable by the City on sums withheld and later paid directly to the Consultant.
- 20.3 The Consultant shall indemnify the City for any losses, damages or expenses incurred by the City as a result of the Consultant's failure to properly disclose to the City its non-resident status, as defined in Canadian income tax legislation.

For the purposes of this Section, an “**Unavoidable Delay**” means any circumstances beyond the reasonable control of the party trying to perform (such as, for example, acts of God, war or other strife or governmental action) but expressly excludes any and all delays caused by the Consultant’s lack of financial resources; the Consultant’s insolvency ; strikes, lockouts or other withdrawals of services arising out of any labour dispute involving the City, the Consultant or a Sub-contractor; or governmental action taken in the enforcement of any law specifically against the Consultant or its Sub- Consultants. Any void portion or provision shall be deemed severed from this Agreement and the balance of this Agreement shall be construed and enforced as if this Agreement did not contain the particular portion or provision held to be void. The Parties further agree to amend this Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken position.
