

REQUEST FOR PROPOSALS "RFP" NO. PS20172370
CONSULTANT FOR SEWER SEPARATION

QUESTIONS AND ANSWERS NO. 1

ISSUED ON MARCH 9, 2018

Q1	<p>Part D, Appendix A - Insurance Requirements states in Section A1.1 (a) requires an aggregate of not less than \$5,000,000 for the professional E&O policy. Our company currently carries \$2,000,000 per claim with a \$2,000,000 aggregate. We are finding that our sub-consultants are also unable to meet the <u>aggregate</u> requirement with their current coverage. Meeting this requirement will necessitate additional fees to cover increased premiums, the value of which is not yet known.</p> <p>Part A, Section 1.7 (d), states that the model agreement is expected to be "substantially in the form of the Form of Agreement" , which would imply there may be some room for adjustment within these terms.</p> <p>Would the City of Vancouver be willing to reduce the standard professional E&O insurance <u>aggregate</u> amount from \$5,000,000 to \$2,000,000 for this project only?</p>
A1	<p>Any proposed amendment to the Form of Agreement should be listed in APPENDIX 11 Proposed Amendments to Form of Agreement in your Proposal.</p>
