

REQUEST FOR PROPOSAL "RFP" PS20181073  
SUPPLY AND DELIVERY OF WEATHERPROOF JACKET AND PANTS

QUESTIONS AND ANSWERS NO.

ISSUED ON July 6, 2018

Q1	Based on the specs on the RFP may we suggest the attached jacket for your Rescue team? Please let me know if it's something your team will consider. This jacket is a stock item for Unisync and supplied to all EMS/ Rescue Team across Canada.
A1	Any proponents can bid on the RFP as long as the proposed weatherproof jacket and pants meet the minimum requirements under the specification, PART B 4.0 of the RFP.  Refer to Addendum No 1.
Q2	Would it be possible to get a brand or model style and/or a picture of the jacket/pants you are looking for on this request for proposal?
A2	The City has no specific brand or model style or picture available. Proposed jacket and pants shall meet the specifications stated on PART B of the RFP.
Q3	About the pocket size of jacket on PART B, Section 4.20, is it correct pocket size min. 16''x6.5'' one on each of side?
A3	Both left and right Pocket size must be 16"x 6.5".
Q4	Is there any other specific page that we can provide detail about alternative material may apply on jacket?
A4	Proponents can propose any additional information after Section 15.0 of the PART C - PROPOSAL FORM.
Q5	Would it be possible to see pictures of the jackets and pants you are looking for in the RFP in object?
A5	There is no picture available for the requirement. Proponent shall offer their products meeting the specifications stated on PART B of the RFP
Q6	I see that the contract request if for 3 years, yet the pricing table allows only for 1 price. As min. wage is going up another 3 occasions until June 1, 2021 we have pricing set per each year there's a change. If you can provide an unlocked worksheet we can provide a price breakdown per year accounting for wage increments and inflation, or if you absolutely need 1 price only we'll put in the average price over the
