

REQUEST FOR PROPOSALS NO. PS20181129

PROVISION OF ADVANCED TRANSPORTATION CONTROLLER (ATC) SOLUTION

QUESTIONS AND ANSWERS NO. 2

ISSUED ON AUGUST 24, 2018

Q1	From what we understood, the City is asking for both hardware and firmware. However, I only see you are asking for pricing for the <i>hardware</i> on the Commercial Proposal file. Should we assume that <i>firmware</i> should be included in the <i>hardware</i> price or is firmware not expected to be quoted at all?
A1	Yes. This is to confirm that price quoted should be a complete functional unit (Hardware & Firmware).
