PART A - INFORMATION AND INSTRUCTIONS

PART A - INFORMATION AND INSTRUCTIONS

1.0 THE RFP

- 1.1 This Request for Proposals (the “RFP”) provides an opportunity to submit proposals for review by the City and, depending on the City’s evaluation of proposals, among other factors, to potentially negotiate with the City to enter into a contract. **EXCEPT WHERE EXPRESSLY STATED OTHERWISE IN APPENDIX 1 TO PART C OF THE RFP: (I) NO PART OF THE RFP CONSISTS OF AN OFFER BY THE CITY TO ENTER INTO ANY CONTRACTUAL RELATIONSHIP; AND (II) NO PART OF THE RFP IS LEGALLY BINDING ON THE CITY.**
- 1.2 The RFP concerns the City’s interest in procuring a replacement stationary crane at the Vancouver transfer station. The scope of work will involve removal of the existing crane, supply and installation of a replacement crane. Details of the City’s objectives and requirements to which the RFP relates are set out in Part B of the RFP. The City welcomes proposals that are responsive to this RFP (“Proposals”) respecting innovative or novel approaches to the City’s objectives and requirements.
- 1.3 The City is interested in selecting an entity, which is not, by the terms hereof, barred from submitting a Proposal, and which does submit a Proposal (each such entity, a “Proponent”) with the capability and experience to efficiently and cost-effectively meet the objectives and requirements described in the RFP. The City currently expects to select such a Proponent and then enter into negotiations with that Proponent, which will conclude in the execution of a contract between the Proponent and the City (such a contract, an “Agreement”). However, the City may: (i) decline to select any Proponent; (ii) decline to enter into any Agreement; (iii) select multiple Proponents for negotiation; or (iv) enter into one or more agreements respecting the subject matter of the RFP with one or more Proponents or other entities at any time. The City may also terminate the RFP at any time.
- 1.4 The City currently intends that Proposals will be evaluated by the City in relation to their overall value, which will be assessed in the City’s sole and absolute discretion. In assessing value, the City expects to consider the factors described in Section 8 below, among others.
- 1.5 **NO BID SECURITY IS REQUIRED FROM PROPONENTS IN CONNECTION WITH THE SUBMISSION OF PROPOSALS BECAUSE NO PROPOSAL WILL BE DEEMED TO BE AN IRREVOCABLE OR OTHERWISE BINDING LEGAL OFFER BY A PROPONENT TO THE CITY. THE LEGAL OBLIGATIONS OF A PROPONENT THAT WILL ARISE UPON THE SUBMISSION OF ITS PROPOSAL WILL BE LIMITED TO THE TERMS AND CONDITIONS STATED UNDER THE HEADING “LEGAL TERMS & CONDITIONS” IN APPENDIX 1 TO THE FORM OF PROPOSAL.**
- 1.6 The execution of an Agreement may be contingent on funding being approved, and the relevant Proposal being approved, by the Vancouver City Council.
- 1.7 The RFP consists of four parts, plus appendices:
- (a) **PART A - INFORMATION AND INSTRUCTIONS:** This part is intended to serve as a guide to the RFP process for Proponents.
 - (b) **PART B - CITY REQUIREMENTS:** This part describes the subject matter of the RFP, in respect of which the City invites Proposals.
 - (c) **PART C - FORM OF PROPOSAL:** This is the form in which the Proposal should be submitted.

Nonetheless, the City has a strong preference for Proposals submitted by a single Proponent, including a Proponent that would act as a general contractor and use subcontractors as required.
- 4.9 Proposals that are submitted after the Closing Time or that otherwise do not comply in full with the terms hereof may or may not be considered by the City and may or may not be returned to the Proponent, in the City's sole discretion.
- 5.0 CHANGES TO THE RFP AND FURTHER INFORMATION**

- 5.7 The City will in good faith attempt to give accurate oral responses to questions posed during the Information Meeting but Proponents are advised that they may only rely on the written information contained herein or in documents posted to the City's website, as described in Section 5.1 above.

- All employees - full-time, part-time and casual - are paid the current living wage rate for their region. See www.livingwageforfamilies.ca for current Metro Vancouver and Fraser Valley living wage rates.
- The living wage rate calculation for an employer takes into account its employees' *total* compensation package (wage + benefits). If employees receive non-mandatory benefits, the living wage rate is reduced to take this into account. External contract staff (not direct employees) who provide services to their employer on a regular and ongoing basis must also be paid a living wage.
- Employees who receive incentive-based pay (tips) or commissions can be paid less than a living wage, provided their total earnings - including incentive-based pay and/or commissions - equal or exceed the living wage.

Social Enterprise:

"Social enterprises are businesses owned by non-profit organizations, that are directly involved in the production and/or selling of goods and services for the [combined] purpose of generating income and achieving social, cultural, and/or environmental aims (Social Enterprise Council of Canada)." See www.socialenterprisecanada.ca.

In addition to having the aforesaid combined purpose, to qualify as a "Social Enterprise" for purposes hereof, an entity must:

- be a business operated by a registered non-profit or community services co-operative;
- have a product or service that it sells to customers;
- have a defined social and/or environmental mandate.
