PART A - INFORMATION AND INSTRUCTIONS

1.0 THE RFP

- 1.1 This Request for Proposals (the “RFP”) provides an opportunity to submit proposals for review by the City and, depending on the City’s evaluation of proposals, among other factors, to potentially negotiate with the City to enter into a contract. **EXCEPT WHERE EXPRESSLY STATED OTHERWISE IN APPENDIX 1 TO PART C OF THE RFP: (I) NO PART OF THE RFP CONSISTS OF AN OFFER BY THE CITY TO ENTER INTO ANY CONTRACTUAL RELATIONSHIP; AND (II) NO PART OF THE RFP IS LEGALLY BINDING ON THE CITY.**
- 1.2 The RFP concerns the City’s interest in procuring a Treasury Management System. Details of the City’s objectives and requirements to which the RFP relates are set out in Part B of the RFP. The City welcomes proposals that are responsive to this RFP (“Proposals”) respecting innovative or novel approaches to the City’s objectives and requirements.
- 1.3 The City is interested in selecting an entity, which is not, by the terms hereof, barred from submitting a Proposal, and which does submit a Proposal (each such entity, a “Proponent”) with the capability and experience to efficiently and cost-effectively meet the objectives and requirements described in the RFP. The City currently expects to select such a Proponent and then enter into negotiations with that Proponent, which will conclude in the execution of a contract between the Proponent and the City (such a contract, an “Agreement”). However, the City may: (i) decline to select any Proponent; (ii) decline to enter into any Agreement; (iii) select multiple Proponents for negotiation; or (iv) enter into one or more agreements respecting the subject matter of the RFP with one or more Proponents or other entities at any time. The City may also terminate the RFP at any time.
- 1.4 The City currently intends that Proposals will be evaluated by the City in relation to their overall value, which will be assessed in the City’s sole and absolute discretion. In assessing value, the City expects to consider the factors described in Section 8 below, among others.
- 1.5 **NO BID SECURITY IS REQUIRED FROM PROPONENTS IN CONNECTION WITH THE SUBMISSION OF PROPOSALS BECAUSE NO PROPOSAL WILL BE DEEMED TO BE AN IRREVOCABLE OR OTHERWISE BINDING LEGAL OFFER BY A PROPONENT TO THE CITY. THE LEGAL OBLIGATIONS OF A PROPONENT THAT WILL ARISE UPON THE SUBMISSION OF ITS PROPOSAL WILL BE LIMITED TO THE TERMS AND CONDITIONS STATED UNDER THE HEADING “LEGAL TERMS & CONDITIONS” IN APPENDIX 1 TO THE FORM OF PROPOSAL.**
- 1.6 The execution of an Agreement may be contingent on funding being approved, and the relevant Proposal being approved, by the Vancouver City Council.
- 1.7 The RFP consists of four parts, plus appendices:
- (a) PART A - INFORMATION AND INSTRUCTIONS: This part is intended to serve as a guide to the RFP process for Proponents.
 - (b) PART B - CITY REQUIREMENTS: This part describes the subject matter of the RFP, in respect of which the City invites Proposals.
 - (c) PART C - FORM OF PROPOSAL: This is the form in which the Proposal should be submitted.

PART B - CITY REQUIREMENTS

The requirements stated in this Part B (collectively, the “Requirements”) are current as of the date hereof, but they may change or be refined in the course of the evaluation of Proposals or otherwise.

Unless otherwise stated, if, and wherever, the Requirements state a brand name, a make, the name of a manufacturer, a trade name or a vendor catalogue number, it is for the purpose of establishing a grade or quality of materials, goods or equipment only. It is not intended to rule out the use of other equivalent materials, goods or equipment. If, however, products other than those specified are proposed in any Proposal, the Proposal must explicitly include under the heading “Alternative Solutions” the names of such products and their manufacturers, any trade names and any applicable vendor catalogue numbers, and the City may request that the Proponent provide specific evidence of equivalency. Evidence of quality in the form of samples may also be requested.

To the extent that the Requirements express estimates of quantities or volumes of goods or services expected to be required by the City, the City cannot offer any assurances that such quantities or volumes will in fact be required.

1.0 BACKGROUND

The City is a taxing authority in the Province of British Columbia and collected \$1.4 billion in 2018. The City maintains a balanced budget. Collections consist mostly from property taxes, and the rest from utility fees, license and development fees, parking revenue, and other sources.

The City has approximately \$1 billion in debt, and there are ten debenture issues with sinking fund outstanding. Please refer to the City Investor Relations website for more details of the City borrowing program (<https://vancouver.ca/your-government/investor-relations.aspx>).

The City’s Treasury Services (“Treasury”) is responsible for the City’s financial risk management, cash management, investments and debt requirements, among other responsibilities.

There will be four core users of the Treasury Management System. Additional Treasury details are listed below:

- Bank of Montreal (“BMO”) is the City’s house bank. There are approximately forty (40) bank accounts that represent the different business lines and operations of the City. All accounts are predominantly in Canadian funds (“CAD”). There will be one other CAD savings account with another Canadian Chartered Bank.
- Cash bank balances range from CAD\$30 million to CAD\$70 million daily in aggregate for on-going expenses.
- There are two small accounts in BMO denominated in US funds (“USD”) that are maintained for USD cheque (BMO Harris based in the USA) and minor USD expenses (domestic bank account) which total less than USD\$1 million. Therefore, there are few or no foreign exchange (“FX”) transactions, apart from the occasional spot purchase(s).
- RBC Investor and Treasury Services (“RBCIS”) is the custodial agent for the City’s investment portfolio.
- The current investment portfolio is housed in five (5) funds recorded in RBCIS: General Fund; Sinking Fund; Cemetery Fund; Public Housing Fund; and Civic Development Fund.
- The total investment portfolio is approximately CAD\$2.2 billion, and is made up of about approximately 300+ lines of fixed income investments. There are no equity investments.

Such servers and other equipment are owned and controlled by Vendor or are owned by a third party who has agreed to host the Software pursuant to a contract between Vendor and such third party. If the Software is hosted on third party owned servers and equipment, Vendor has full control over such Software pursuant to the contract between Vendor and such third party. The City may access and use the Software in accordance with the terms of this Agreement, but has no right to receive a copy of the object code or source code to the Software.
- 3.2 As part of the Service, Vendor hereby agrees to give City authorized users access to, and the right to use, the Software for the purposes contemplated by this Agreement. City authorized users may use the Software by logging on to a webpage on the Vendor Software (in which case Vendor will ensure that such City authorized users will have full secure access to such webpage at all times during the term of this Agreement).
- 3.3 As part of the Service, Vendor will do everything necessary to make the Software comply with the requirements of this Agreement and be ready for normal use and operation by the City at the time stipulated in this Agreement or at a time reasonably requested by the City.
- 3.4 Vendor will regularly upgrade and update the Software. Vendor will provide the City with as much prior notice as possible when an upgrade or update is to be implemented and will meet the availability and service level commitments set out in this Agreement.
- 3.5 Vendor solely owns the intellectual property in the Software (except for third party components) and the Documentation.

 - (d) create any derivative works based upon the Software or Documentation;
 - (e) copy any feature, design or graphic in, or reverse engineer, the Software; or
 - (f) use the Software in a way that violates any criminal or civil law.
- 4.2 The City may load test the Software in order to test scalability provided the City give prior notice to Vendor so that Vendor may participate in and/or coordinate such load testing.
- 5.0 DATA SECURITY, PRIVACY AND PAYMENT CARD INDUSTRY REQUIREMENTS**
- 5.1 Vendor must only use the Transmitted Data as necessary to carry out its obligations under this Agreement and for no other purpose. Any use or disclosure of the Transmitted Data by Vendor that is not expressly permitted by this Agreement will require the prior written consent of the City and must comply with all Applicable Laws.
- 5.2 As between the City and Vendor, the Transmitted Data is owned by the City, Vendor hereby agrees to hold the Transmitted Data in trust for the City, and Vendor makes no claim to any right of ownership in it. Vendor acknowledges and agrees that the City has voluntarily disclosed the Transmitted Data to Vendor on the condition that Vendor hold such Transmitted Data in strict confidence and only use it in accordance with the terms of this Agreement. Vendor further acknowledges and agrees that the Transmitted Data will remain, at all times, strictly under the control and in the power of the City including for the purposes of FOIPPA. Even though Vendor may have temporary custody of the Transmitted Data to enable it to perform its obligations under this Agreement, such temporary custody does not amount to control, power, possession or ownership of the Transmitted Data.
- 5.3 Vendor shall comply with all of the confidentiality, security and privacy requirements set out in this Agreement (including, without limitation, the requirements of this Section 5.0, the requirements set out in Schedule A (Scope of Work) and the requirements set out in Schedule B (Privacy Compliance and Data Security)) with respect to the Transmitted Data. To the extent Vendor possesses any Transmitted Data in any form, medium or device during the Term of this Agreement or after, the foregoing obligations shall survive and continue to be in legal effect.
- 5.4 Once the Transmitted Data is transferred through the Software to Vendor, the Transmitted Data will be stored on servers and other equipment that are physically located in Canada, owned and controlled by Vendor or are owned by a third party who has agreed to host the Software pursuant to a contract between Vendor and such third party with terms regarding privacy compliance and data security substantially similar to this section 5.0 and Schedule B (Privacy Compliance and Data Security). If the Software is hosted on third party owned servers and equipment, Vendor has full control over such Software and all Transmitted Data pursuant to the contract between Vendor and such third party. The Software must use SSL encryption or equivalent.
- 5.5 As of the date of this Agreement, the Software and Transmitted Data will only be stored on Vendor's primary, secondary and backup servers (collectively, the "**System Servers**"). Each System Server should be located in different locations that are sufficiently far from each other to ensure resiliency against natural disasters. Vendor's primary server is located at [Insert address and country where primary server is located]. Vendor's secondary server is located at [Insert address and country where secondary server is located]. Vendor's backup server is located at [Insert address and country where backup server is located]. If any System Server is hosted by a third party server/data host, such third party will be referred to as a "**Server Host**". Physical access to all System Servers is locked and restricted to only Vendor or Server

Host employees. All data that flows in and out of Vendor's System Servers through the Vendor's or Server Host's routers and other equipment is encrypted and otherwise protected against access by, or disclosure to, Server Host or any other party. A regularly updated and backed-up copy of the Transmitted Data will be stored on Vendor's secondary and/or backup servers. If the location of any System Server is proposed to be changed during the Term of this Agreement, Vendor shall notify the City in writing, no less than 60 days before the location of a System Server is changed. Vendor will not store the Software or Transmitted Data on any other server or equipment without the prior written approval of the City. To the extent Vendor is able through its contract with a Server Host, Vendor will use commercially reasonable efforts to require the Server Host to ensure the safety, security, confidentiality and continued availability of all data stored on Vendor's primary server (including all Transmitted Data) located at the Server Host's facility. On a daily basis, a backup copy of all data stored on Vendor's primary server (including all Transmitted Data) will be automatically transferred to the City in a format, and in accordance with a process, agreed to by the City.

- 5.6 Except with the prior written approval of the City, Vendor shall not store any Transmitted Data outside Canada or allow access to any Transmitted Data from outside Canada unless this is done in accordance with the terms of Schedule B (Privacy Compliance and Data Security).
- 5.7 Except with the prior written approval of or instructions from the City, Vendor shall not modify, add, delete, destroy, share, match, mine, combine, manipulate or otherwise tamper with the Transmitted Data in any way.
- 5.8 Vendor shall not withhold any of the Transmitted Data to enforce payment by the City or to enforce Vendor's rights in a dispute over this Agreement.
- 5.9 If Vendor is responsible for any loss or corruption of any Transmitted Data, Vendor will immediately restore or recreate such Transmitted Data.
- 5.10 Vendor must ensure that the System Servers and all Server Hosts meets the following physical and electronic security requirements:
 - (a) single point of entry;
 - (b) main access monitored with additional access for emergency purposes only;
 - (c) surveillance cameras in physical data centre facility/room;
 - (d) access validation with identity check;
 - (e) access only to persons on Vendor approved access list;
 - (f) log-in validation;
 - (g) creation of accounts only as verified by Vendor;
 - (h) access to servers via encrypted means; and
 - (i) servers running behind secure firewall.
- 5.11 Vendor shall comply with the following in the event of a Data Compromise:
 - (a) Vendor shall report, either orally or in writing, to City any Data Compromise involving Transmitted Data, or circumstances that could have resulted in unauthorized access to or disclosure or use of Transmitted Data, not authorized by this Agreement or in writing by City, including any reasonable belief that unauthorized access or disclosure of

Transmitted Data has occurred. Vendor shall make the report to City immediately upon discovery of the unauthorized access or disclosure, but in no event more than forty-eight (48) hours after Vendor reasonably believes there has been such unauthorized access or disclosure. Oral reports by Vendor regarding Data Compromises will be reduced to writing and supplied to City as soon as reasonably practicable, but in no event more than forty-eight (48) hours after oral report.

- (b) Immediately upon becoming aware of any such Data Compromise, Vendor shall fully investigate the circumstances, extent and causes of the Data Compromise, and report the results to City and continue to keep City informed on a daily basis of the progress of its investigation until the issue has been effectively resolved to the reasonable satisfaction of the City.
 - (c) Vendor's report discussed herein shall identify: (i) the nature of the unauthorized access or disclosure, (ii) the data accessed or disclosed, (iii) who made the unauthorized use or received the unauthorized access or disclosure (if known), (iv) what Vendor has done or shall do to mitigate any deleterious effect of the unauthorized access or disclosure, and (v) what corrective action Vendor has taken or shall take to prevent future similar unauthorized access or disclosure.
 - (d) Within five (5) calendar days of the date Vendor becomes aware of any such Data Compromise, Vendor shall have completed implementation of corrective actions to remedy the Data Compromise, restore City access to the Services as directed by City, and prevent further similar unauthorized access or disclosure.
 - (e) Vendor, at its expense, shall cooperate fully with City's investigation of and response to any such Data Compromise incident.
 - (f) Except as otherwise required by law, Vendor will not provide notice of the incident directly to the persons whose data was involved, regulatory agencies, or other entities, without prior written permission from City.
 - (g) Notwithstanding any other provision of this Agreement, and in addition to any other remedies available to City under Applicable Laws, Vendor will promptly reimburse City in full for all costs incurred by City in any investigation, remediation or litigation resulting from any such Data Compromise, including but not limited to providing notification to third parties whose data was compromised and to regulatory bodies, law-enforcement agencies or other entities as required by Applicable Laws or contract; establishing and monitoring call center(s), and credit monitoring and/or identity restoration services to assist each person impacted by a Data Compromise in such a fashion that, in City's sole discretion, could lead to identity theft; and the payment of legal fees and expenses, audit costs, fines and penalties, and other fees imposed by regulatory agencies, courts of law, or contracting partners as a result of the Data Compromise.
- 5.12 Vendor shall ensure that its employees are aware of their obligations regarding data security and privacy under this Section 5.0, Schedule A and Schedule B of this Agreement.
- 5.13 In the event any governmental authorities under applicable privacy laws or otherwise make inquiries to the City or Vendor or take any actions in respect of the Transmitted Data, Vendor will, upon the City's request, cooperate with such governmental authorities. If such governmental authorities make inquiries or requests of Vendor, Vendor will, to the extent legally required or permitted, give prompt written notice to the City and allow the City to participate in any responses submitted by Vendor to such governmental authorities.

- 5.14 [Note to draft: If the Software to be supplied under this Agreement will be used to collect or process credit card information, the City may need to add further requirements to this Agreement to ensure the City is able to continue to meet its obligations under the PCI Data Security Standards ("PCI DSS") of the PCI Security Standards Council. The following information should be obtained from the proponents in order to determine what other requirements the City may need to add to this Agreement:]

2	Provide a Charter for the PCI DSS Compliance program in your organization and define specifically who is responsible for the protection of cardholder data and the PCI DSS Compliance Program.

- (a) has full right, power and authority to enter into this Agreement and to perform its obligations under it;

6.3 Vendor shall be responsible for providing Service interruption recovery services if Vendor experiences or suffers an interruption to the Service for any reason. Vendor shall take all necessary steps to ensure that City shall not be denied access to the Services for more than 2 hours for any reason. For example only and without limitation, Vendor shall maintain the capability to resume provision of the Services from an alternative location and via an alternative telecommunications route if an event renders the Vendor's primary infrastructure unusable or unavailable. If Vendor fails to restore the Services within 2 hours of the initial disruption of service, City may declare Vendor to be in default of this Agreement and City may seek alternate services, which would have otherwise been provided under this Agreement, from third parties. Vendor shall reimburse City for all costs reasonably incurred by City in obtaining such alternative services, with payment to be made within thirty (30) calendar days of City's written request for such payment. In the event of a Service outage or interruption, Vendor will refund or credit the City, at its election, the pro-rated amount of fees corresponding to the time Services were unavailable. - (a) modify the Software to conform to the requirements of this Agreement; or
- (b) provide a workaround solution to the City's satisfaction that will meet the City's requirements.

If neither of these options is satisfactory to the City, the City may terminate this Agreement in which case the City shall have no further liability to the Vendor or seek alternate services, which would have otherwise been provided under this Agreement, from third parties and seek reimbursement of such costs from Vendor. In either case, Vendor shall refund to the City all amounts pre-paid by the City for which no Services have been rendered.

6.5 If the normal operation, possession, access or use of the Software by the City is found to infringe any third party intellectual property right or Vendor believes that this is likely, Vendor must immediately, at its option and expense, either:

- (a) obtain a licence from such third party for the benefit of the City to allow the City to access and use the Software in accordance with the terms of this Agreement; or
- (b) modify the Software so that it no longer infringes.

If neither of these options is satisfactory to the City, the City may terminate this Agreement in which case the City shall have no further liability to the Vendor and the Vendor shall refund to the City all amounts pre-paid by the City for which no Services have been rendered.

7.0 TRAINING AND SUPPORT

7.1 **Training for the City:** Vendor shall provide the training described in Schedule A as part of the Contract Price and for no additional consideration.

Notwithstanding the foregoing, the City may, but is not required to, renew this Agreement on the same terms and conditions for [●] additional one year periods by giving Vendor written notice of renewal prior to the expiry of this Agreement. If the City does not give Vendor written notice of renewal, this Agreement will continue to be in effect, following expiry, on a month-to-month basis on the same terms and conditions subject to termination by either party on 30 days prior written notice.

9.0 CONTRACT PRICE

9.1 In consideration for the Software, Services and other obligations to be performed by Vendor under this Agreement, the City will pay Vendor the Contract Price set out in Schedule D unless the City, in good faith, disputes any amount charged.

9.2 Subject to the partial and interim payment obligations of the City as set out in Schedule D, the City will have no obligation to pay any money to the Supplier in connection with this Agreement unless and until the Supplier has fully and completely complied with all of its obligations required by this Agreement to be performed and all covenants on the part of the Supplier are in good standing up to the date that such payment is due.

- (b) **Supplier Liable For Corporate, Income, Capital, and Other General Taxes.** Nothing in this Section or this Agreement will make, or be interpreted so as to make the City liable to pay general (as opposed to those being specific to this Agreement) Canadian or foreign taxes, duties, excise, customs, penalties or interest amounts imposed on the Supplier or its Affiliates on account of the Supplier's or its Affiliate's import of goods, services or labour, income, capital, transfers or transactions.
- (c) **Each Party Responsible for Own Taxes.** Each of the City and the Supplier shall be responsible for paying those taxes applicable to it under Applicable Laws.

10.0 CITY'S RIGHT TO TERMINATE

- 10.1 **Termination without Cause:** The City may, at any time and for any reason, terminate this Agreement in whole or in part by giving Vendor 10 days' prior written notice. If the City terminates under this section, the City will pay any reasonable wind-up costs of the Vendor up to a maximum of \$5,000. Vendor will immediately refund the balance of any prepaid and unearned fees to the City and may offset any reasonable wind-up costs, up to the foregoing maximum, against the amount to be refunded to the City.
- 10.2 **Termination for Breach, Insolvency, Bankruptcy:** the City may terminate this Agreement (a) if Vendor is in breach of any term of this Agreement and the breach is not cured within 10 (ten) days of written notice by the City, and (b) immediately if Vendor becomes insolvent, bankrupt or is otherwise unable to carry on business. If the City terminates under this section, Vendor will immediately refund the balance of any prepaid and unearned fees to the City.

11.0 VENDOR'S OBLIGATIONS AFTER AGREEMENT TERM EXPIRES

- 11.1 **City's Request to Delete/Destroy Transmitted Data:** At the City's request, Vendor will immediately, permanently and securely delete and destroy all Transmitted Data in its possession or under its control and all records thereof (in all media and devices in or on which such Transmitted Data is stored) in a manner that is appropriate for the media or device so that the Transmitted Data or any portion of it cannot be subsequently retrieved, accessed or used by Vendor or any other person. - 11.2 **Obligation to Provide the City a Copy of Transmitted Data before Destruction:** Prior to the deletion and destruction of the Transmitted Data in accordance with Section 11.1, Vendor will provide the City with one or more copies of all of the Transmitted Data (in a format, medium and/or device instructed by the City) in Vendor's possession or under its control at such time.

[Note: City will consult/confirm with its Risk Management department for appropriate types and levels of insurance to be placed by the vendor once more information is known about the services.]

12.1 Required Insurance/Amounts. Prior to commencing the Services, Vendor will obtain:

- (a) a Professional (Error and Omissions) Liability and Cyber Liability insurance policy each with limits of not less than \$5,000,000 per claim (with a sub-limit of not less than \$1,000,000 per claim for intellectual property infringement) and an aggregate of not less than \$5,000,000, protecting the Vendor against all claims for loss or damage arising out of any error or omission of the Vendor or the Vendor's Personnel in the performance of the Services; and
- (b) a Commercial General Liability insurance policy with limits of not less than \$5,000,000 per occurrence, aggregate of not less than \$5,000,000, and a deductible of not more than \$5000, protecting the Vendor and the Vendor's Personnel against all claims for personal injury, including death and bodily injury, and property damage or loss, arising out of the operations of the Vendor or the actions of the Vendor or the Vendor's Personnel. The policy will contain a cross liability clause in favour of the City and will name the City and its officials, officers, employees, servants, and agents as Additional Insureds with respect to liability of the Named Insured pursuant to this Agreement.

12.2 Required Policy Terms. All required insurance policies will remain in full force and effect at all times until completion of the Services or earlier cancellation of this Agreement, and will:

- (a) be obtained from and issued by insurers authorized to carry on business within British Columbia, on terms satisfactory to the City's Director of Risk Management, acting reasonably;
- (b) be primary insurance in respect to liability arising out of the operation of the named insured. Any insurance or self-insurance maintained by the City will be in excess of this insurance and will not contribute to such policies; and
- (c) contain a requirement that thirty (30) days written notice of cancellation or material change resulting in reduction of coverage with respect to any of the policies, in whole or in part, will be given by the insurer to the City and the City; the exception is cancellation for non-payment of premiums in which case the applicable statutory conditions will apply.

12.3 Insurance Certificate. Prior to signing this Agreement, Vendor will provide the City's Project Manager with evidence of all required insurance to be taken out in the form of one or more Certificates of Insurance in form and substance satisfactory to the City which will be attached to this Agreement as Schedule C - Certificates of Insurance. The Certificates of Insurance will identify the Agreement title, number, policyholder and scope of work and must not contain any qualifications or disclaimers. Proof of insurance, in the form of such Certificates of Insurance (or copies of the policies themselves, if requested), will be made available to the City's Project Manager at any time during the performance of the Services immediately upon request.

12.4 Additional Requirements. Vendor will provide, at its own cost, any additional insurance which is required by law to provide or which it considers necessary.

12.5 Insurance Requirements Independent of Additional Obligations. Neither the providing of insurance by Vendor in accordance with this Agreement, nor the insolvency, bankruptcy or the

failure of any insurance company to pay any claim accruing, will be held to relieve Vendor from any other provisions of this Agreement with respect to liability of Vendor or otherwise.

13.0 EXCLUSION OF LIABILITY

Neither party shall be liable under this Agreement for any indirect, special, incidental, punitive or consequential damages (including without limitation, damages for loss of goodwill, work stoppage, computer failure or malfunction, lost or corrupted data, lost profits, lost business or lost opportunity), or any other similar damages under any theory of liability (whether in contract, tort, strict liability or any other theory), even if the other party has been informed of this possibility.

14.0 RELEASE, INDEMNIFICATION AND LIQUIDATED DAMAGES

- 14.1 Vendor now releases the City and its respective officials, officers, employees and agents and their respective successors, assigns, heirs and authorized representatives from all costs, losses, damages and expenses, including those caused by personal injury, death, property damage, loss and economic loss arising out of, suffered or experienced by Vendor and its officers, employees and agents in connection with Vendor's performance of the Services under this Agreement.
- 14.2 Vendor hereby agrees to indemnify and save harmless the City and its respective officials, officers, employees and agents and their respective successors, assigns, heirs and authorized representatives and each of them (in each case an "Indemnified Party") from and against all costs, losses, claims, damages, actions, and causes of actions (collectively referred to as "Claims") that an Indemnified Party may sustain, incur, suffer or be put to at any time either before or after the expiration or termination of this Agreement, that arise out of the performance by Vendor of this Agreement, a breach by Vendor of this Agreement (including, without limitation, a breach of any of the confidentiality, security and privacy provisions of this Agreement), an infringement claim against the City or errors, omissions or negligent acts of Vendor or its officers, employees or agents under this Agreement excepting always that this indemnity does not apply to the extent, if any, to which the Claims are caused by errors, omissions or negligent acts of an Indemnified Party.
- 14.3 This indemnity will not affect or prejudice the City from exercising any other rights that may be available to it at law or in equity.
- 14.4 The release and indemnity set out above will survive the expiry or sooner termination of this Agreement.
- 14.5 The City and Vendor acknowledge and agree that Vendor's failure to properly perform the Services will cause the City to incur economic damages and losses of types and in amounts that are difficult to compute and ascertain with certainty as a basis for recovery by the City of actual damages and that liquidated damages represent a genuine estimate thereof. Accordingly, Vendor will pay the City liquidated damages in accordance with the terms of any service level agreements or other terms set out in this Agreement.

15.0 CONFIDENTIALITY

- 15.1 The confidentiality obligations set out in this Section 15.0 are in addition to Vendor's obligation to comply with FOIPPA, PIPA, PIPEDA and all other applicable privacy and personal information laws and the other security and privacy obligations set out in this Agreement.
- 15.2 In the course of or for the purpose of performing the services contemplated in this Agreement, Vendor will obtain or have access to information, including but not limited to the Transmitted Data, other personal information as well as possibly financial and business information that is

- (a) information which is in, or becomes part of, the public domain, not due to Vendor's breach of this Agreement or Vendor's actions;
- (b) information which was previously in Vendor's possession and did not originate from the City; and
- (c) information which lawfully becomes available to Vendor from a third party not under an obligation of confidence to the City regarding such information.

- 15.3 Vendor will not use or reproduce the Confidential Information other than as reasonably required for the performance of the Services under this Agreement. Vendor will not, without the prior written consent of the City given on such terms and conditions as it prescribes in its sole discretion, disclose or allow access to the Confidential Information to any person, except to only those of its own employees who have a need to know the Confidential Information solely for the provision of the Services, and who have been advised of its confidential nature and have agreed to be bound by the confidentiality and restricted use provisions in this Section. Vendor will take all reasonable precautions against the Confidential Information being used by or disclosed to any unauthorized person.
- 15.4 If Vendor is required by any law, legal proceeding, or court or government order, to disclose any Confidential Information, Vendor shall limit its disclosure of such Confidential Information to the extent and purpose legally required, provided that prior to any disclosure Vendor will promptly notify the City in writing of the existence and the terms, and conditions of the required disclosure and, at the City's request and expense, co-operate in obtaining a protective order or other assurance that confidential treatment and restricted use will be accorded such Confidential Information.
- 15.5 Vendor acknowledges that a breach by Vendor or any of its employees of their respective confidentiality obligations pursuant to this Section 15.0 may cause irreparable harm and significant injury to the City that may be difficult to ascertain. Vendor agrees that it shall be liable for all damages caused to the City by such a breach and further agrees that the City shall have the right to seek equitable relief including, without limitation, injunction and specific performance, in the event of any breach or threatened breach of the provisions of this Section 15.0 in addition to all other remedies available to the City at law, in equity or otherwise. Vendor shall pay all reasonable costs and reasonable legal expenses incurred by the City in pursuing one or more remedies as a result of the breach or threatened breach by Vendor of this Section 15.0.
- 15.6 Vendor shall return all copies of the Confidential Information to the City, in all tangible forms and media, and delete all Confidential Information resident in any databases or systems, upon the earliest of the following dates:
- (c) expiration or earlier termination of this Agreement; and
 - (d) written request of the City for return of the Confidential Information.
- 15.7 Vendor shall ensure that its employees are aware of their obligations of confidentiality under this Section 15.0.
