| Q1 | Can you please confirm the bid bond requirements for PS20190551 - Skateboard Park Plaza RFP? I may have misunderstood some of the discussion at the mandatory information meeting and just wanted to clarify the correct information. |
| A1 | A bid bond is not required to be submitted as part of the proposal in response to the RFP. As per the RFP, the successful contractor will be required to provide a performance bond and a labour and material payment bond, which shall each be for fifty percent (50%) of the Contract Price. |
