Q1	The Equipment list states a "Fuel Autofiller" - Could the city please provide further detail (Make/Model/etc.) on the autofiller for purchasing.
A1	The City is not set on a specific brand of the Fuel Autofiller, however it should fit on jerry cans for providing a tight seal when fueling equipment. An example of this product is the Fill Partner Autofiller ( <a href="https://fillpartner.com/en/autofiller/">https://fillpartner.com/en/autofiller/</a> ).
