

REQUEST FOR PROPOSALS "RFP" PS20201024

PROVISION OF AN ENTERPRISE ARCHITECTURE MANAGEMENT TOOL

QUESTIONS & ANSWERS NO. 2

ISSUED ON OCTOBER 14, 2020

Q1	Can the City confirm if the solution needs to be hosted in Canada, or can it be hosted in Europe with all the required safeguards and encryptions?
A1	<p>The solution can be hosted outside of Canada with the appropriate controls etc., unless the solution relies on storing Personally Identifiable Information.</p> <p>Note: information such as employee name, workplace contact details, business capabilities, and application details would not be considered to be Personally Identifiable Information.</p> <p>The City may assess any regulatory implications of hosting outside of Canada as part of the RFP proposal evaluation process.</p>
