Q7.1	Could the City please clarify what level of detail it's looking for in regards to the design team that was included in the RFEOI submission? We are including an organizational chart as per instructed, and want to make sure we provide all the necessary information that the evaluators might want to know.
A7.1	In addition to previously provided information on the Prime Consultant team, please provide similar level of information (project role, expertise, alternate team member) related to all sub-consultants listed in item 4.2 of Part B - Scope of Work (key members of their teams only). If any of the Prime Consultant team members or roles have changed since the RFEOI, please update that information in the RFP submission.
