

**REQUEST FOR PROPOSAL “RFP” NO. PS20201109
CONSTRUCTION MANAGER FOR COAL HARBOUR PHASE II**

QUESTIONS AND ANSWERS NO. 1

ISSUED ON: October 26, 2020

Q1.1	We would like to request a Webex information meeting, if that will be possible. Also, will there be architectural drawings for this RFP?
A1.1	<p>Information meeting held on October 26, 2020.</p> <p>Architectural drawings are now included in the package found in the FTP site. Please refer to ADD 1.</p>
Q1.2	Please clarify the need for E&O Insurance given our understanding that the project is not intended to be a design build project delivery approach.
A1.2	<p>As advised by our Risk Manager, as the scope of work includes a management component to the direct benefit of the City, it is likely you have represented yourself as being a “professional” resulting in exposure to professional liability claims which may not be covered under a traditional commercial general liability insurance policy.</p> <p>Please see amendments (AMD 1) to the insurance section on the form of agreement.</p>
