

REQUEST FOR PROPOSAL “RFP” NO. PS20201220
CONSULTING SERVICES FOR FEASIBILITY STUDY FOR FIREHALL ARTS CENTRE AND
VANCOUVER POLICE MUSEUM

QUESTIONS AND ANSWERS NO. 1

ISSUED ON: NOVEMBER 24, 2020

Q1	<p><i>Will you provide Part C Form of Proposal in the form of an editable Word document? If not, can we respond in our own format?</i></p> <p><i>If a Word document is provided, can the proponent include images and charts in addition to text as part of their response in the form provided for Part C Form of Proposal, or would you prefer these to be submitted as addendum</i></p>
A1	<p>You may respond in your own format, and add additional pages as required. Yes, you may include images and charts etc. within your Proposal.</p>
Q2	<p><i>Are mechanical and electrical services required for the feasibility study?</i></p>
A2	<p>A cost consultant is required but all other sub-consultants including mechanical, electrical, structural, theatre planners, acoustic consultants, Code consultants etc. are necessary as the proponents see fit to complete the scope of work (eg. prepare test-fits, high-level schematic design concepts, etc).</p>
Q3	<p><i>In Part B, 5.0 - Supporting Documents, the link to “Making Space for Arts and Culture, 2019” is not working. Please provide an updated link to the document.</i></p>
A3	<p>Here is the updated link https://council.vancouver.ca/20190910/documents/ACCS-RTS13175-AppendixD-MakingSpaceforArtsandCulture.PDF.</p>
