

REQUEST FOR PROPOSAL “RFP” NO. PS20201226  
CONSULTING SERVICES FOR COMMUNITY CENTRE STRATEGY

QUESTIONS AND ANSWERS NO. 2

ISSUED ON: JANUARY 6, 2021

Q1	<i>Task 7, Approach for Data Acquisition and Management. Is the intention of this analysis to scope the requirements for a software solution to collect and/or manage the data? Does the City expect a specialist consultant to fulfill this role?</i>
A1	<b>Yes, the requirement is to scope an ongoing data management solution. A team member with experience in this, or general business management in the parks and recreation industry may prove useful.</b>
