

**REQUEST FOR PROPOSALS “RFP”  
PS20201227 - FLUSHER TRUCK SERVICES  
QUESTIONS AND ANSWERS NO. 1**

ISSUED ON: January 20, 2021

Q1	What is the typical annual spend for this contract?
A1	<b>The City spends approximately \$100,000 on these services annually.</b>
Q2	Is the work going to be split between multiple vendors? If so, how will call out order be determined?
A2	<b>Preference is to award to one vendor.</b>
Q3	The pricing table lists a Municipal Water Charge. Will the City not be supplying water for the flusher?
A3	<b>The City would be supplying the water source(s).</b>
