SUPPLY AND DELIVERY OF A ROUGH TERRAIN CRANE
PART A - INFORMATION AND INSTRUCTIONS

SUMMARY

The purpose of this RFP is to seek a supplier with the capability to supply a rough terrain crane for the lifting of heavy and large sized equipment, to the City's Engineering department, as per the requirement and specifications set out herein.

PART A - INFORMATION AND INSTRUCTIONS

1.0 THE RFP

1.1 Except where expressly stated otherwise in Appendix 1 of Part C of the Request for Proposals ("RFP"): (i) no part of the RFP consists of an offer by the city to enter into any contractual relationship; and (ii) no part of the RFP is legally binding on the city.

1.2 Intentionally Deleted

1.3 The City is interested in selecting an entity, which is not, by the terms hereof, barred from submitting a Proposal, and which does submit a Proposal (each such entity, a "Proponent") with the capability and experience to efficiently and cost-effectively meet the objectives and requirements described in the RFP. The City currently expects to select such a Proponent and then enter into negotiations with that Proponent, which will conclude in the execution of a contract between the Proponent and the City (such a contract, an "Agreement"). However, the City may: (i) decline to select any Proponent; (ii) decline to enter into any Agreement; (iii) select multiple Proponents for negotiation; or (iv) enter into one or more agreements respecting the subject matter of the RFP with one or more Proponents or other entities at any time. The City may also terminate the RFP at any time.

1.4 The City currently intends that Proposals will be evaluated by the City in relation to their overall value, which will be assessed in the City's sole and absolute discretion. In assessing value, the City expects to consider the factors described in Section 8.0 below, among others.

1.5 No bid security is required from Proponents in connection with the submission of Proposals because no Proposal will be deemed to be an irrevocable or otherwise binding legal offer by a Proponent to the City. The legal obligations of a Proponent that will arise upon the submission of its Proposal will be limited to the terms and conditions stated under the heading "Legal Terms & Conditions" in Appendix 1 to the Part C - Form of Proposal.

1.6 The execution of an Agreement may be contingent on funding being approved, and the relevant Proposal being approved, by the Vancouver City Council.

1.7 The RFP consists of four parts, plus appendices:

(a) **PART A - INFORMATION AND INSTRUCTIONS:** This part is intended to serve as a guide to the RFP process for Proponents.

**REQUEST FOR PROPOSALS NO. PS20210969

- (c) **PART C - FORM OF PROPOSAL:** This is the form in which the Proposal should be submitted.
- (d) **PART D - FORM OF AGREEMENT:** This part contains a model Agreement (the “**Form of Agreement**”). Any Agreement resulting from the RFP is expected to be substantially in the form of the Form of Agreement.
