QUESTIONS AND ANSWERS NO. 3

<b>Q1</b>	Does the City have an approach for integrating Truth and Reconciliation on this project, and if so, what will the City’s role be?
<b>A1</b>	<b>Updated information...</b> <b>The City’s approach related to Truth &amp; Reconciliation is project specific. As this site is not a known Site of Significance, there are no large-scale opportunities for the Indigenous communities to help shape the programming on site. We will be reaching out to our Park Board Archeologist to ensure there are no sensitivities around this area.</b>
