PART A – INFORMATION AND INSTRUCTIONS

1.0 THE RFP

- 1.1 Except where expressly stated otherwise in Appendix 1 of Part C of the Request for Proposals (“RFP”): (i) no part of the RFP consists of an offer by the city to enter into any contractual relationship; and (ii) no part of the RFP is legally binding on the city.
- 1.2 The City is interested in selecting an entity, which is not, by the terms hereof, barred from submitting a Proposal, and which does submit a Proposal (each such entity, a “**Proponent**”) with the capability and experience to efficiently and cost-effectively meet the objectives and requirements described in the RFP. The City currently expects to select such a Proponent and then enter into negotiations with that Proponent, which will conclude in the execution of a contract between the Proponent and the City (such a contract, an “**Agreement**”). However, the City may: (i) decline to select any Proponent; (ii) decline to enter into any Agreement; (iii) select multiple Proponents for negotiation; or (iv) enter into one or more agreements respecting the subject matter of the RFP with one or more Proponents or other entities at any time. The City may also terminate the RFP at any time.
- 1.3 The City currently intends that Proposals will be evaluated by the City in relation to their overall value, which will be assessed in the City’s sole and absolute discretion. In assessing value, the City expects to consider the factors described in Section 8.0 below, among others.
- 1.4 No bid security is required from Proponents in connection with the submission of Proposals because no Proposal will be deemed to be an irrevocable or otherwise binding legal offer by a Proponent to the City. The legal obligations of a Proponent that will arise upon the submission of its Proposal will be limited to the terms and conditions stated under the heading “Legal Terms & Conditions” in Appendix 1 to the Part C - Form of Proposal.
- 1.5 The execution of an Agreement may be contingent on funding being approved, and the relevant Proposal being approved, by the Vancouver City Council.
- 1.6 The RFP consists of four parts, plus appendices:
- (a) PART A - INFORMATION AND INSTRUCTIONS: This part is intended to serve as a guide to the RFP process for Proponents.
 - (b) PART B - SCOPE OF WORK: This part describes the subject matter of the RFP, in respect of which the City invites Proposals.
 - (c) PART C - FORM OF PROPOSAL: This is the form in which the Proposal should be submitted.

ARTICLE 12

FORCE MAJEURE; TERMINATION

12.1 Force Majeure

- (a) Neither Party shall be deemed to be in breach of this Agreement or otherwise liable to the other Party in any manner whatsoever for any failure or delay in performing its obligations under this Agreement reasonably due to Force Majeure.
- (b) If either Party's performance of its obligations under this Agreement is affected by an event of Force Majeure, then:

- (i) it shall give written notice to the other Party, specifying the nature and extent of the event of Force Majeure, within ten days after becoming aware of the event of Force Majeure;
 - (ii) performance of such obligation(s) shall be deemed suspended but only for a period equal to the delay reasonably caused by such event;
 - (iii) it shall not be entitled to payment from the other Party in respect of extra costs and expenses incurred by virtue of the event of Force Majeure;
 - (iv) the Time(s) for Completion shall be extended to take into account such delay; and
 - (v) within five days of the cessation of any Force Majeure event, the Party affected thereby shall submit a written notice to the other Party, specifying the actual duration of the delay of its obligations caused by the event of Force Majeure and the consequences resulting from such delay, and submit a specific plan to minimize and mitigate those consequences.
- (c) The affected Party shall use all reasonable diligence in accordance with Good Industry Practice to mitigate the cause and the result of an event of Force Majeure and to remedy the situation and resume its obligations under this Agreement, including complying with any instructions from the City, as to how to do so.
- (d) Notwithstanding the obligations of a Party affected by an event of Force Majeure pursuant to Sections 12.1(b) and 12.1(c), if the event of Force Majeure renders it impossible or impractical for the Supplier to provide the Supply in accordance with this Agreement for a period of at least 30 days, the City may terminate this Agreement upon notice delivered to the Supplier at any time following the expiration of such period of 30 days.

12.2 City Suspension and Termination Rights

The City shall have the following rights:

- (a) The City may order the suspension of all or part of the Supply at any time and for such period as it determines, by notice with immediate effect to the Supplier, in the event of a Safety Incident; and upon receipt of any such notice of suspension, the Supplier shall immediately cease performing the Supply, minimise expenditure and comply with any reasonable instructions of the City relating to such Safety Incident, including any investigations.
- (b) Without prejudice to Section 12.2(a), the City may suspend all or part of the Supply (for such period as it determines) or terminate this Agreement at any time (and for its convenience) upon 30 days' written notice to the Supplier, which shall immediately upon receipt of such notice take all reasonable steps to wind down the performance of the Supply and to minimise expenditure, including complying with any instructions from the City as to how to do so.

- (c) If the City reasonably considers that the Supplier is not discharging any of its material obligations under this Agreement, the City may inform the Supplier by notice stating the grounds for the notice. If evidence of remediation satisfactory to the City, is not received as soon as practicable or in any case within 14 days or such longer period as agreed by the Parties, the City may by a further notice to the Supplier of at least 14 days terminate this Agreement.
- (d) The City may terminate this Agreement with immediate effect if:
 - (i) the Supplier becomes bankrupt or insolvent, goes into liquidation, has a receiver or administrator appointed over it or any of its assets of undertaking, enters into any arrangement for the benefit of its creditors, becomes the subject of any moratorium or carries on business under a receiver, trustee, manager or arrangement for the benefit of its creditors, or if any act is done or event occurs which (under applicable Laws) has a similar effect to any of these acts or events; or
 - (ii) a Change in Control of the Supplier occurs and the City reasonably considers that the Change in Control shall substantively affect the Supplier's ability to perform its obligations under this Agreement.

12.3 Supplier Termination Rights

After giving at least seven days' written notice to the City, the Supplier may terminate this Agreement, or at its discretion and without prejudice to the right to terminate, may suspend or continue suspension of performance of the whole or part of the Supply when:

- (a) 90 days after the due date for payment of an invoice, it has not received payment of that part which has not by that time been contested in writing by the City and provided always that:
 - (i) the Supplier has issued a notice of reminder to the City following the due date for payment in relation to such unpaid sum; and
 - (ii) the termination notice may not be issued until the expiry of 30 days following the issue of such reminder notice; or
- (b) the City commits any material or persistent breach(es) of its obligations under this Agreement which render(s) performance by the Supplier of its obligations under this Agreement or a substantial part thereof impossible or significantly adversely affect(s) such performance of this Agreement as a whole and further which, remain(s) irremediable after 60 days.

12.4 Consequences of Termination

The following consequences shall apply upon a termination:

- (a) On termination of this Agreement for any reason, the Supplier shall, as soon as reasonably practicable:
 - (i) deliver to the City all work and Documentation produced by or on behalf of the Supplier during the course of performing the Supply;

- (ii) return (or destroy if otherwise directed by the City in writing) all Confidential Information provided to it for the purposes of this Agreement;
 - (iii) return all of the City's Site access cards, equipment and other items provided under this Agreement, failing which, the City may enter the relevant premises and take possession thereof, and, until any such access cards, equipment and other items have been returned or repossessed, the Supplier shall be solely responsible for its or their safe-keeping;
 - (iv) if so requested by the City, take reasonable steps to assign any Subcontractor contracts to the City and do all things and execute all documents necessary to give effect thereto; and
 - (v) otherwise comply with all reasonable requirements of the City arising from the cessation of the Supply or the continuing development of the Site.
- (b) The Supplier shall be entitled to be paid its reasonable properly incurred costs of compliance with Section 12.4(a) and its reasonable demobilization costs, up to a maximum of \$~~1,000,000~~, in aggregate, save in circumstances in which the City reasonably claims that the termination was a consequence of a Safety Incident or a default by the Supplier in the provision of any part of the Supply, in which case all such costs shall be for the Supplier's own account.
 - (c) On termination of this Agreement for any reason, the Supplier shall be entitled to payment for any completed portion of the Supply rendered in full compliance herewith prior to the time of termination, in accordance with Schedule B (Prices for Supply).

12.5 Other Surviving Rights and Liabilities of Parties

- (a) Termination of this Agreement shall not prejudice or affect the accrued rights or claims and liabilities of the Parties.
- (b) After termination of this Agreement, the provisions of Sections 3.7 and 9.6, ARTICLE 11, ARTICLE 14, ARTICLE 15 and ARTICLE 17 shall remain in force.

ARTICLE 13 ASSIGNMENT AND SUBCONTRACTING

Neither Party shall assign, transfer, mortgage, charge or deal in any other manner with this Agreement or any of its rights and obligations under or arising out of the Agreement (or any document referred to herein), or purport to take any such action without the prior written consent of the other.

13.2 Subcontracting

- (a) The Supplier shall not subcontract the whole or substantially all of the Supply.

- (b) Without prejudice to the foregoing Section 13.2(a), save in the case of Subcontractor(s) whose role in the provision of the Supply is expressly provided for in the schedules hereto (and only to the extent so provided for), the Supplier may not subcontract any part of the Supply without the City's prior written consent.

- (e) If the Supplier is unable to enter into a contract with a Subcontractor whose role in the provision of the Supply is expressly provided for in the schedules hereto, it shall as soon as reasonably practicable inform the City of the reason for such inability and procure the services of a replacement subcontractor that is acceptable to the City, acting reasonably.
- (f) The Supplier shall be responsible for the acts, defaults or neglect or any omission of each Subcontractor, its employees and agents in all respects as if they were the acts and defaults or neglect or omission of the Supplier its employees or agents themselves.

The Supplier acknowledges and agrees that the City is the exclusive owner of all right, title, and interests in and to the Documentation, including, without limitation, all Intellectual Property Rights therein. The Supplier shall assign and hereby assigns to the City all right, title, and interests in and to the Documentation, including, without limitation, all existing and future Intellectual Property Rights in and to the Documentation, effective upon their creation to the fullest extent permitted by Law. Such licence shall include the right to sub licence to any third party without restriction.

14.2 Further Assistance

If and to the extent that any of the right, title, and interest in and to the Documentation, including, without limitation, all Intellectual Property Rights therein, is not assigned automatically or immediately to the City under Section 14.1, the Supplier undertakes, at the expense of the City and at any time either during or after this Agreement

upon request from the City (notwithstanding that the City may do so in its own name and at its own cost), to execute all documents, make all applications, give all assistance and do all acts and things as may, in the reasonable opinion of the City, be necessary or desirable to vest all right, title, and interest in and to the Documentation, including, without limitation, all Intellectual Property Rights therein, in the City and to register them in, the name of the City and otherwise to protect and maintain such right, title, and interest. The Supplier further agrees to cooperate fully with the City both during and after the termination of this Agreement, with respect to signing further documents and doing such acts and other things reasonably requested by the City to confirm the transfer of ownership of the Documentation or to obtain or enforce patent, copyright, trade secret, or other protection for the Documentation. The Supplier shall not receive any consideration or royalties in respect of such transfer of ownership, beyond the fees, provided that the expense of obtaining or enforcing intellectual property protection shall be borne by the City.

14.3 Supplier Undertakings and Representations and Warranties

(a) The Supplier undertakes:

- (i) to notify the City in writing of the full details of Documentation promptly upon its creation;
- (ii) whenever requested to do so by the City and in any event on the termination of this Agreement (as provided for in ARTICLE 12), promptly to deliver to the City all correspondence, documents, papers and records on all media (and all copies or abstracts of them), recording or relating to any parts of the Documentation which are in its possession, custody or power;
- (iii) that the Supplier shall not, either during the term of this Agreement or thereafter, directly or indirectly, contest, or assist any third party to contest, the City's ownership of the Documentation or of any Intellectual Property Rights related thereto, and
- (iv) not to register nor attempt to register any Intellectual Property Rights in the Documentation unless requested to do so by the City.

(b) The Supplier represents and warrants to the City that:

- (i) it has not given and shall not give permission to any Subcontractor or third party to use any of the Documentation, nor any of the Intellectual Property Rights in the Documentation, other than as provided for in this Agreement or otherwise in accordance with the instructions of the City;
- (ii) it has not given, and shall not give, to the City, nor shall it use in the provision of the Supply, any confidential material or documents of any former client or customer of the Supplier or of any other third party, unless the Supplier has received prior written authorization to do so from the City and from the owner of the confidential material or documents;

- (iii) it has the absolute right to make the assignments of the right, title, and interest in and to the Documentation contemplated in this Agreement and to grant the rights granted under this Agreement;
- (iv) it is unaware of any use by any third party or any unauthorized use by a Subcontractor of any of the Documentation or any Intellectual Property Rights in the Documentation; and
- (v) the use of the Documentation or the Intellectual Property Rights in the Documentation by the City shall not, to the knowledge of the Supplier, infringe any Intellectual Property Rights of any third party.

14.4 Background Intellectual Property

Notwithstanding and superseding anything to the contrary in this ARTICLE 14, each Party retains title to all Intellectual Property Rights owned or possessed by it or any of its affiliates prior to or independent of performance of this Agreement and used by it in fulfilling its obligations under this Agreement, as well as any modifications or improvements made thereto in the course of performing this Agreement (“**Background IP**”). To the extent that one Party acquires any right, title, or interest in and to any aspect of the modifications or improvements to the Background IP of the other Party, such first Party shall assign such right, title, and interest to the second Party, immediately following such acquisition. If any of the Supplier’s Background IP is included in or required to use the Documentation provided by the Supplier to the City, the Supplier hereby grants to the City an irrevocable, perpetual, fully paid-up, royalty-free, worldwide, transferable and non-exclusive licence (including the right to sub-licence only to members of the City’s Group) to, itself and through contractors and agents, use, copy, amend, reproduce, modify, create derivative works of, use, commercialize, and otherwise exploit the Supplier’s Background IP but only to the extent required to use such Documentation for the purpose (or any reasonably inferred purpose) for which it has been provided or for the provision of the Supply under this Agreement (excluding any software source code).

14.5 Supplier Employees’ and Subcontractors’ Rights

The Supplier:

- (a) warrants that the Supplier’s employees, Subcontractors and agents have waived or shall have waived in whole all moral rights (including, without limitation, any similar rights allowing the rights holder to restrain or claim damages for any distortion, mutilation, or other modification of works or any part thereof, and to restrain use or reproduction of works in any manner) they may have in the Documentation;
- (b) indemnifies the City, its officers, agents, contractors and employees against any liability, cost, loss or damage (including legal costs on a solicitor-client basis) suffered or incurred that arises under any breach of the warranty contained in Section 14.5(a); and
- (c) must do all things requested by the City, including signing or procuring the signature of particular forms, to give full effect to Section 14.5(a).

14.6 No Additional Remuneration

ARTICLE 15 PRIVACY; CONFIDENTIALITY

15.1 Freedom of Information and Protection of Privacy Act

The Supplier acknowledges that the City is subject to the *Freedom of Information and Protection of Privacy Act* (British Columbia), which imposes significant obligations on the City's contractors to protect all personal information acquired from the City in the course of providing any service to the City.

15.2 No Promotion

The Supplier shall not, and shall ensure that its Subcontractors shall not, disclose or promote any relationship with the City, including by means of any oral declarations, announcements, sales literature, letters, client lists, press releases, brochures or other written materials, without, in each case, the express prior written consent of the City. The Supplier shall not use the City's logo or any of the City's official marks without the express prior written consent of the City.

15.3 Confidentiality Obligations

Each Party shall keep the Confidential Information of the other Party confidential and each Party shall not use such Confidential Information except for the purpose of exercising or performing its rights and obligations under this Agreement or where, in the case of the City, otherwise necessary to pursue the public business of the City (a "**Permitted Purpose**"), or disclose the Confidential Information in whole or in part to any third party, except as expressly permitted by this ARTICLE 15.

15.4 Disclosure to Representatives

A Party may disclose the other Party's Confidential Information to those of its Representatives who need to know such Confidential Information for the Permitted Purpose, provided that it informs such Representatives of the confidential nature of the Confidential Information prior to disclosure, and at all times it is responsible for such Representatives' compliance with the confidentiality obligations set out in this ARTICLE 15.

15.5 Disclosures Required by Law

A Party may disclose Confidential Information to the extent required by any applicable Laws or by any Competent Authority provided that, where legally permitted, it notifies the other Party before doing so, gives the other Party a reasonable opportunity to take any steps that the Party considers necessary to protect the confidentiality of that information, and notifies the third person that the information is Confidential Information. In any event, a Party shall furnish only that portion of the Confidential Information which it is legally required to disclose and shall use its reasonable endeavours to obtain a protective order or

other reliable assurance that the Confidential Information shall be accorded confidential treatment.

- (a) Notwithstanding anything in this ARTICLE 15 to the contrary, nothing in this ARTICLE 15 shall affect the Parties' rights and obligations under ARTICLE 14.
- (b) The Parties acknowledge that a breach of any of the obligations or provisions contained in this ARTICLE 15 could cause the other Party to suffer loss which may not be adequately compensated for by damages and that the other Party may, in addition to any other remedy or relief, enforce the performance of this Agreement by injunction or specific performance upon application to a court of competent jurisdiction without proof of actual or special damage and notwithstanding that in any particular case damages may be readily quantifiable, and such breaching Party must not plead sufficiency of damages as a defence in the proceeding for such injunctive relief.

16.1 Taxes for Own Accounts

Unless otherwise expressly stated in this Agreement, any Taxes becoming due and payable by either Party pursuant to any applicable Laws as a result of the entering into, the performance of obligations under or the taking of payment pursuant to this Agreement, shall be for the account of that Party, and for greater certainty the Contract Price includes all such Taxes, except for applicable Taxes arising under all sales, excise and value added tax legislation (including, without limitation, the *Excise Tax Act* (Canada) and similar Canadian provincial legislation) (collectively, "**Sales Tax**") as a result of the sale of the Supply within Canada hereunder, unless it is clearly stated that they are intended to be Sales Tax-inclusive.

16.2 Withholding Taxes

- (a) Notwithstanding any other provision to the contrary, if the City determines that it is necessary to satisfy its obligations under any Law relating to Taxes, the City may:
 - (i) withhold an amount from a payment made to the Supplier; and
 - (ii) pay the withheld amount directly to the relevant Competent Authority.

- (b) If an amount withheld in accordance with Section 16.2(a) is paid by the City to the relevant Competent Authority, it is deemed to have been paid to the Supplier on the date on which the remainder of the payment to which it relates was paid to the Supplier.
- (c) The Supplier agrees and acknowledges that it has no claim against the City for any amounts withheld and paid to the relevant Competent Authority in accordance with Section 16.2(a).
- (d) If the City does not withhold an amount under Section 16.2(a) which it is required to withhold pursuant to any laws relating to Taxes, the Supplier agrees to pay that amount to the City, upon request by the City.
