

REQUEST FOR QUOTATION NO. PS20181191

CONSULTANT SERVICE TO REVIEW AND REVISE CITY'S WATERWORKS DESIGN FIRE FLOWS, HYDRANT SPACING, AND DEVELOPMENT REVIEW PROCEDURES

QUESTIONS AND ANSWERS NO. 1

Issued September 13, 2018

Q1	What is the project budget?
A1	<i>It is part of the City of Vancouver procurement processes not to disclose the budget.</i>
Q2	What are the evaluation criteria and weights? Is it just only cost?
A2	<i>Please refer to Instructions to Vendor Section 11.0 - Evaluation Criteria and consultant must complete and submit all the requirements being asked in Quotation Form.</i>
Q3	Further to this RFQ could you provide access to the Waterworks Design Criteria Manual, and the Waterworks' development application review procedure and criteria
A3	<i>As specified in Appendix 1- Requirements, Section 5.0, the city will provide it to Successful Consultant</i>
Q4	Can you provide the budget or estimated number of hours expected for this project?
A4	<i>Based upon the scope or work specified in Appendix 1 Requirements, we will let the consultant decide how much effort expected for this project to complete.</i>
