

REQUEST FOR QUOTATION "RFQ" NO. PS20191219  
SUPPLY AND DELIVERY OF GRANITE BASES

QUESTIONS AND ANSWERS NO. 1

ISSUED ON: September 4, 2019

Q1	Will orders come in groups of around 300 bases at a time totaling your yearly amounts. Is that correct? Or will the City want each yearly total shipped at one time?
A1	At this time, The City and Mountain View Cemetery have no preference as to when specific quantities can be delivered whether in whole or in part. Upon award of the contract the City working with the successful supplier will determine the appropriate ship dates and delivery quantities.
