

REQUEST FOR QUOTATION “RFQ” NO. PS20211423  
SUPPLY AND DELIVERY OF DECORATIVE ROADWAY LIGHTS

QUESTIONS AND ANSWERS NO. 1

ISSUED ON: December 1, 2021

|    |  |
|----|--|
| Q1 | <i>In Appendix 1 - Requirements - Section 3.1.4 Mounting, reference is made to ‘Section 4.0 - Drawing’ but section 4 is not included. Can you provide Section 4?</i>   |
| A1 | Please refer to Amendment No. 1. (Section 3.1.4 has been amended and there is no Section 4).   |
| Q2 | <i>Pricing Table 1- Price Schedule, under “Description” column:<br/><br/>Manufacturers are listed, but no performance details. For example, King 205, has multiple options available, ie 5 x different wattages. Can COV please issue further clarity on what is required?</i>   |
| A2 | <p>Please refer to Amendment No. 1 and updated Excel Pricing Tables 1 to 3, and updated Appendix 1 - List of Lights and Specifications Table</p> <ul style="list-style-type: none"> <li>• Table 1 - Price Schedule has been updated to include nominal lumen outputs for each luminaire.</li> <li>• Appendix 1 - List of Lights and Specifications Table, updated to add columns for “Nominal Lumen Outputs”, and “Mounting Details”.</li> </ul> <p>Pricing should include all mandatory options e.g. 7-pin receptacle. Provide cost for King Luminaire K205 shallow glass and flat (no lens) options.</p> |
| Q3 | <i>The fixture pricing is based on Wattage ranges not specific wattages. Are we to price based on lowest or highest wattage?</i>   |
| A3 | Please provide pricing as per updated Pricing Tables 1 to 3.   |
