Re: Supply and Delivery of Cooper Lighting for Street Lighting Upgrades

Notice is hereby given by the City of Vancouver ("City") of its intent to contract with MAC'S II Agencies Ltd. for the Supply and Delivery of Cooper Lighting for Street Lighting Upgrades at Southeast False Creek neighborhood.

The Engineering Services Department - Electrical Design & Support Services Division has a requirement to conduct street lighting upgrades at several streets and intersections at Southeast False Creek neighborhood. This is to align with the Southeast False Creek Private Lands Public Realm Enrichment Guide which was introduced in August 2009 including the establishment of distinctive lighting precincts for the Southeast False Creek Project. The City requires ongoing installation of new fixtures to match the existing luminaire lighting fixtures. This Cooper product has been used since the 2010 Winter Olympic days and it is quite unique to the neighborhood surroundings. Therefore, the City must continue with procuring the Cooper product line for all street lighting upgrades for the neighborhood.

The City has identified and specified the following Cooper Lighting product line on an as-if-and-when required basis:

- Cooper Invue ICM-E01-LED-E1
- Cooper Invue ICM-E02-LED-E1
- Cooper Invue ICM-E03-LED-E1
- Cooper Invue ICM-E04-LED-E1
- Cooper Invue ICM-E05-LED-E1
- Cooper Invue ICM-E06-LED-E1

MAC'S II Agencies Ltd. is the sole regional distributor for Cooper Luminaires. It is recommended to purchase from MAC'S II Agencies Ltd. for the supply and delivery of the above lighting fixtures for a three (3) year period commencing April 1, 2018 to March 31, 2021, with the option to extend the contract for two (2) periods of one-year term. The contract is valued at approximately \$300,000. This notice may represent the only official notice.
