Issue Date: May 2, 2022
Closing Date: May 17, 2022

Re: Supply, Delivery and Install of Rail Concrete Panels for Marpole Fraser Street Crossing

Notice is hereby given by the City of Vancouver (“City”) of its intent to contract with Canadian Pacific for the Supply, Delivery and Installation of Rail Concrete Panels for Marpole Fraser Street Crossing.

The City is required to rehabilitate and lengthen the Canadian Pacific railway crossings surface at Mile 8.18 Marpole Subdivision Fraser Street Crossing. After considering all options, the City has determined that it will achieve best value through procuring the rail concrete panels directly from Canadian Pacific.

In order to perform this work on the existing railway crossings surface at Mile 8.18 Marpole Subdivision Fraser Street Crossing location, the City has identified and specified the following scope of work on an as-if-and-when required basis:

- Replace existing crossing surface at the railway tracks with new concrete crossing panels at Fraser Street
- Address gaps in the pedestrian network, and create delineated, safe places for pedestrians in the event of a train on the railway crossing and provide safer, better access for all persons including, but not limited to, physically disabled persons
- The new concrete panels will be installed and the approaches reinstalled to complete the rehab and railway crossing upgrade.

Canadian Pacific is agreeing to rehabilitate the railway “asset” (railway crossing) at the request of the City as the entry of any other uninvited persons on Canadian Pacific Property would be considered trespassing. The City’s anticipated contract with Canadian Pacific for the supply, delivery and installation of the above components will have a term of approximately one (1) year, commencing October 15, 2022. The contract is valued at approximately \$170,000. This notice may represent the only official notice.

Anyone wishing to request more information and/or has questions or concerns to this regard is asked to contact Jason Lo, Contracting Specialist, Supply Management at 604-873-7259 or by email to jason.lo@vancouver.ca.

Closing date and time: 3:00 pm Vancouver Time, May 17, 2022.
