Re: Supply and Delivery of Toro Sentinel Irrigation Controllers

Notice is hereby given by the City of Vancouver ("City") of its intent to contract with Van-Kel Irrigation for the supply and delivery of Toro Sentinel Irrigation Controllers and associated components as well as ongoing technical and field support.

The City of Vancouver as represented by its Board of Parks and Recreation requires replacement irrigation controllers in multiple Parks locations. Toro Sentinel controllers are currently in use in all newer Parks locations and Toro replacement units are required for system wide compatibility.

Van-Kel Irrigation is the exclusive authorized Toro Sentinel product distributor for the region of Western Canada defined by the Manitoba/Ontario border to the Pacific Ocean. Van-Kel Irrigation, a division of Emco Corporation is responsible for the greater Vancouver area and Vancouver Island. This authorization includes the sales and support of the Sentinel product line. As per the manufacturer, Toro Irrigation, all Sentinel sales and support functions in this region are to be performed by Emco Corporation/Van-Kel Irrigation without exception.

The contract is valued at approximately \$480,000 for a two year period with an extension option.

Anyone wishing to request more information and/or has any questions with regard to this NOITC may contact Jason Charbonneau, Buyer - City of Vancouver at jason.charbonneau@vancouver.ca prior to the closing date and time listed above.
