Re: Supply and Delivery of Allen Bradley Products and Services

Notice is hereby given by the City of Vancouver ("City") of its intent to contract with Westburne Rexel Group ("Westburne") for Supply and Delivery of Allen Bradley Products and Services.

The City's Engineering SCADA Department is doing a Programmable Logic Controller ("PLC") upgrade to one of its facilities. The current PLC is old and no longer supported by the city's previous vendor. The City's current PLC standard is Allen Bradley and in helping to keep consistent with other installs and spare parts, the City will continue to use this brand.

Rockwell Automation provider of industrial automation and information Technology carries Allen Bradley products. Rockwell Automation designation Westburne as the only distributor appointed and authorized to sell Allen-Bradley in British Columbia.

The upgrade of system is valued at approximately \$67,000 Canadian Dollars. The City will issue a standing offer agreement with an option to renew for two consecutive years upon written notice from the City.

Anyone wishing to request more information and/or has questions or concerns with regards to this NOITC may contact **Megs Gatus, Buyer**, by email to [magdalena.gatus@vancouver.ca](mailto:magdalenagatus@vancouver.ca)
