

**NOTICE OF INTENT TO CONTRACT
PS20201433**

Issue Date: November 18, 2020
Closing Date: December 02, 2020

Re: THE SUPPLY AND DELIVERY/PROVISION OF AEROCLAVE DISINFECTION UNITS

Notice is hereby given by the City of Vancouver ("City") of its intent to contract with ProFire Emergency Equipment Inc. for the supply and delivery/provision of AeroClave disinfection units.

With COVID-19 infection numbers on an extreme increase in the Coastal Health region, VFRS needs to take immediate action to reduce the potential for exposures to the virus while at work, and has determined the AeroClave disinfection unit cleans more effectively, faster and easier than hand cleaning/fogging and the product has no adverse effect on crew health or sensitive electronics with minimal downtime.

Safetek Profire, the parent company of ProFire Emergency Equipment Inc, is the exclusive redistributor of AeroClave products in British Columbia for all segments related to Fire Departments.

The contract is valued at approximately \$83,000 for a period of one (1) year with the option to extend for additional four one-year periods.

Anyone wishing to request more information and/or has any questions with regard to this NOITC may contact Jing Fan by email to jing.fan@vancouver.ca prior to the closing date and time listed below.

Closing date and time: 3:00 pm on December 02, 2020
