

REQUEST FOR PROPOSAL "RFP"  
PS20210648 - UPFITTING SERVICES FOR FORD POLICE INTERCEPTOR HYBRID SUVs

**QUESTIONS AND ANSWERS NO.3**

ISSUED ON: October 22, 2021

Q1	1.1.4 Askes for a breakdown by component. There is no provision in Appendix 3 for this. We made the recommendation for a change to Appendix 1 to Part B - Technical Requirements to accommodate this requirement. Please advise how this is to be provided?
A1	<b>Please quote full price including parts and labour. No need for a breakdown.</b>
Q2	With respect to the above requirement are you looking for the proponent to supply the battery or is this part of the vehicle supplied by Ford?
A2	<b>Please leave a note that the chassis and batteries will be provided by the chassis company (Ford) and that you do not need bid any extra batteries as they are not required. This will not be a part of the final cost.</b>
Q3	2.3.2 says Rumbler system. Do you want to use a typical dual Rumbler system or singular?
A2	<b>We use a double rumbler system.</b>
