Re: Supply of 5-25mm Gravel for the Vancouver Landfill

Notice is hereby given by the City of Vancouver (“City”) of its intent to contract with FortisBC Energy Inc. for the supply of 5-25mm Gravel to be used in the filling and construction operations at the Vancouver Landfill, located in the City of Delta, British Columbia.

The 5-25mm Gravel was originally purchased from a local supplier by FortisBC Energy Inc. as preload material for the Fortis Renewable Natural Gas Upgrader Project located at the Vancouver Landfill.

The supply of the 5-25mm Gravel from FortisBC Energy Inc. to the City is a one-time purchase.

The contract is valued at approximately \$230,000.00.
