Re: Training Target System Upgrades

Notice is hereby given by the City of Vancouver (“City”) of its intent to contract with Action Targets for the supply of replacement target carriers including local controls and command cart for its Tactical Training Centre (TTC) supporting the VPD.

The TTC requires replacement carriers and local controls compatible with existing Mancom equipment and software.

Action Targets through acquisition is now the sole authorized supplier of Mancom systems.

The contract is valued at approximately \$136,200.00 USD.

Anyone wishing to request more information and/or has any questions with regard to this NOITC may contact DJ Reynes at by email to dj.reynes@vancouver.ca prior to the closing date and time listed above.
